Supervisors Will Judge Quarry Dispute Tuesday

The much-disputed site of a proposed Redwood Canyon-Moraga rock quarry will be visited today by the County Planning Commission in preparation for a hearing next Tuesday by the County Board of Supervisors on the application.

Located on the 320 acre property owned by A. J. McCosker of Freeway Industrial Properties Inc., the quarry would be situated on a 1455 foot high hill between Redwood Canyon and Moraga Valley.

The property extends from Pinehurst Road, near the mouth of the Sacramento - Northern Railroad tunnel, northeastward to the crest of a bare ridge which comes down from Round Top, and extends also well over the ridge into Moraga Valley.

McCosker, the applicant, has stated that he intends to remove the top of the hill on this ridge.

AS GRAVEL and rock are removed, he added, he will push debirs into the lower gullies and eventually, he says, leave the property terraced in a manner suitable for building, after he is through quarrying.

The hearing was originally scheduled for June 6, but was postponed until next Wednesday in order to give the Planning Commission time to visit the site. The commission's recommendation, however, is only advisory, with the final decision resting with the Board of Supervisors.

News of the permit application has delivered a deluge of protest to the board from many residents and organizations of Moraga and Orinda.

One of the latest objections to the quarry site was sounded recently by the East Bay Municipal District.

EBMUD OFFICIALS, in their note to the board, declared that the district is opposed to the quarry operaton unless restrictions are imposed to prevent pollution of water supplies, and also to prevent silting up of reservoirs and other portions of the EBMUD system, which includes large holdings and several bodies of water in the vicinity of the proposed quarry.

Protests, which were registered by the Contra Costa Women's Planning Council as well as many other groups, asserted that:

1. The quarry would mar the natural beauty of the canyon, one of the loveliest spots in the county.
2. The area has been proposed as a future park site.
3. The quarry would pose a danger to children walking through the area on their way to and from school.
4. The area is already widely used by families throughout the county as a picnic ground.

AN OFFICIAL objection to the quarry was also delivered to the Planing Commission in a letter from William Drake, Northern California representative of Nature Conservancy, an American society devoted to coserving wild lands for their scientific as well as recreational value.

"We believe that Redwood Canyon should be preserved as an irreplaceable sample of local wilderness," the letter stated.

"It is a living museum of our county's past, and its value will grow immensely with time. We strongly urge you to recommend rejection of a permit for a quarry operation in this area.

"Even without park status," it continued, "the Canyon already is visited by thousands of people from the Bay Area who come just to look. This is testimony to the fact that the values we should make the most of in the Canyon are not dollars and cents, but the intangible ones on enjoying something rare.

"WE CAN TAKE a hill apart and sell it," Drake continued, "but that is a short-sighted action. We can better afford to leave our finest natural areas undeveloped.

"The Nature Conservancy urges you to recommend rejection of the quarry permit in the interest of long-range value to the community of a natural area park," the letter concluded.

Drake had also stated in a letter to The Sun that the "Contra Costa Park and Recreation Council has joined in officially protesting the quarry, and it is expected that by the time of the hearing on June 19, most other conservation groups in the East Bay area will have added their official support."

Following McCosker's May 4 application for permit to operate the quarry, he led a party of observers to the proposed site early this month.

At that time he stated his plans were to remove 15 to 20 feet of hill top at a time, and that blasting would not be used. A rock crusher on the Canyon side of the hill would not distribute rock dust over any wide area, he claimed, nor could it be heard any distance because of its location.

INCLUDED IN the observation party were Drake, Dr. Herbert Mason, president of the Regional Parks Association; A. A. Burton, president of the Contra Costa Park and Recreational Council; Bob Frankel, Sierra Club Bay Area Conservation Committee; Norma Warner, Walnut Creek Audubon Society.

Helen Bole, Contra Costa Women's Planning Council; Mary Bowerman, California Botanical Society; Gladys Shally, Canyon Community Club.

Also present were Lyn Mollath, S. Wells, C. E. Steidtman and Charles Smiley, property owners of Skyline and Upper Redwood Canyon areas.

Services Held For Greenwaldt

Masonic services were held Monday afternoon at the Chapel in the Valley, Lafayette, for Vernon William Greenwaldt, 59, of 32 Southwood Drive, Orinda. Mr. Greenwaldt died suddenly June 7 at his home.

He was born in San Jose, Calif., and lived in Orinda for 15 years. He is survived by his wife, Alice Greenwaldt; a brother, Clifford Greenwaldt of Redwood City; an aunt, Mrs. Jessie Gillespie of San Francisco, and two cousins, Mrs. J. W. Lathrop and Mrs. Alva Evans of Oakland, both of Oakland.

Inurnment was at the Chapel of the Chimes, Oakland.

Library Fund Drive for $125,000 Now in Progress

More than 300 Orinda women gathered last Saturday morning at the Pine Grove School to receive final instructions and a voice of inspiration before setting out on their first day of door-to-door campaigning for the Orinda Library Building Fund.

The solicitors were joined in their efforts to raise $125,000 for a new library building early this week by approximately 100 more campaigners. All will spend the next several days continuing a concerted effort to raise the needed funds.

CHAIRMAN OF THE Field Groups Mrs. Donald P. Krotz presided over the Saturday meeting and had as guest speaker Mrs. Bertha D. Hellum, County Librarian. Other speakers were Odie Monahan, fund-raising consultant, and Perc S. Brown, general chairman. Kendric Morrish moderated the brief meeting.

In a press release from Library Fund headquarters, Mrs. Hellum is quoted as saying that "Orinda's one-room library isn't large enough for anything but the most limited reference file because of the unprecedented demand for books.

"If current demand continues through July 15, Orinda residents will have borrowed in excess of 60,000 books from the present temporary set-up this year," she revealed.

Orinda's present library is located in a room of the Community Church.

ACCORDING TO headquarters' brochure, the library drive has seven designated goals in mind.

"1. A new library with a minimum of 4500 to 5500 square feet of floor space.

"2. An adequate reference library for school students, research and professional people.

"3. Reading space for several dozen people.

"4. Convertible type rooms which can be easily re-partioned to serve public meetings, exhibits or displays.

"5. Special interest sections for young children, teen-agers, housewives or businessmen.

"6. Newspaper, magazine and periodical collections.

"7. Large adjacent parking area."

Chairman Brown had previously revealed that approximately $75 per family would be needed in order to reach the $125,000 goal.

BROWN ADDED that it is possible for contributors to pay off their donations on the "installment plan."

A down payment of $25 and monthly payments of $3 per month for 25 months was the example he gave.

"Naturally," he added, "as large a down payment as possible is desirable since we want to start building the library as soon as possible."

The drive has been in progress for nearly a week now, and Brown has announced that "Early reports are encouraging and indicate that Orindans appreciate the value to the community of a good public library, and are willing to contribute the substantial funds to make it possible."

WITH MANY ELABORATE brochures and publicity pamphlets having been released by the Fund headquarters, Brown has disclosed that the cost of printing and distributing all publicity has been paid by special contributions.

"All money collected from individuals will go directly into the building fund," Brown emphasized.

He added that a special Campaign Expense Fund had been begun earlier, and that sufficient funds had been collected from organizations to finance the publicity.

Contributors to the Campaign Expense Fund were the Library Board, the Orinda Chamber of Commerce, the Orinda Lions Club and the Orinda Rotary, he said.

Vurek Gets Degree

The Bachelor of Science degree has been conferred on Gerald George Vurek of Orinda by President L. A. Dubridge of the California Institute of Technology at the annual Caltech commencement.

Son of Mr. and Mrs. George Vurek, 24 Vallecito Lane, he has majored in electrical engineering at Caltech and was graduated from Acalanes High School.

Purchase of 3 School Sites Given Go-ahead

Following the Stanford consultant's recommendations for expansion, the Orinda School District Board of Trustees agreed this week to purchase three new sites for future Orinda Schools.

The decision was made Monday at a special board meeting at the Pine Grove School.

INCLUDED AMONG the purchases were the long-proposed Wagner Ranch and Indian Valley sites, and a plot of some 7 9/10 acres located directly above the Pine Grove School.

All three purchases, according to Joseph L. Sheaff, district superintendent of schools, will be bought in parcels, with the first portions of each being purchased and placed in escrow immediately.

The huge 32 acre Wagner Ranch site has been divided into four parcels of eight acres each, said Sheaff, and will probably be bought over a span of three years.

The first quarter, to be acquired soon, will cost $22,500, with the tentative purchase plan calling for acquisition of the remaining three quarters within the next three years, in alignment with a State sales agreement.

The entire property, stated Sheaff, will be placed in escrow, with parcels to be picked up on option.

The same conditions are true for the Indian Valley site, with the land having been divided into two parcels. The first portion will be bought immediately for $70,000 with plans to purchase the remaining lot next year.

ACREAGE ABOVE the Pine Grove School has also been divided in two, with the first and larger portion to be purchased soon for $11,320. The remaining land will also be picked up next year, for $6,680.

All three sites were suggested by the recently released Stanford report. "We were waiting for the Stanford report before making any plans at all on ne wsites," Sheaff told The Sun.

Also in line with Stanford recommendations was the green light given by the Board of Trustees on expansion and improvement plans at the Sleepy Hollow and Pine Grove Schools.

Approximately $240,000 has been allocated for the building of four new classrooms and a multipurpose room at the Sleepy Hollow School and for six new classrooms at Pine Grove.

SHEAFF DISCLOSED that the Sleepy Hollow construction will cost around $136,000, with $72,000 of the total going for the multipurpose room, and $100,000 at Pine Grove for the si xrooms.

Plans and specifications for the new rooms will begin soon, said Sheaff, and bids are hoped to be opened by early next year.

The district will definitely apply for State financial aid, according to Sheaff.

OTHER BUSINESS concluded at Mondays meeting found the board adopting a tentative budget of $822,110 for the coming school year.

Approximately $168,000 higher than last year's, the budget will cover the expenses incurred in the property purchases and the building, as well as the higher general costs and the additional school district employees.

'32-Cent Tax Rate Would Do Job,' Says City Report

A tax rate of 32 cents per $100 assessed valuation would do an adequate job of providing minimum services for an incorporated Orinda, the incorporation study committee of the Orinda Association declares in its 33-page report.

The committee states:

"THE COMMITTEE concludes that incorporation of Orinda as a general law city would provide a means for solution of many of the community's major problems.

"A city tax rate of 32 cents or less per $100 assessed valuation would provide a desirable standard of governmental services, including substantial improvement in police protection.

"The committee, therefore, recommends that Orinda be incorporated and that proceedings leading to incorporation be started immediately so they can be completed by the beginning of 1957.

"INCORPORATION as a general law city will permit Orinda to make decisions and exercise governmental controls in accord with the community's desires.

"Orinda could do its own planning and adopt its own zoning, subdivision and building regulations.

"Incorporation can provide the means to keep Orinda rural.

"An incorporated Orinda would be able also to exercise much greater control over the local expenditure of public funds and the standards of local governmental service. A city may undertake programs or provide services of purely local benefit, now impossible except through formation of new special districts."

CLARENCE BETZ, a member of the incorporation study committe, submitted a letter to Arighi, which was read by Pollaczek and which cited possible disadvantages of incoporation.

Betz stated that county taxes would remain in effect, that costs of raid maintenance and police protection would be heavy and that the present Orinda business district is "complete," thereby eliminating certain problems in connection with planning and zoning.

Pollaczek pointed out that the report envisions a city with "minimum services" and that certain services could be performed by the county, on a contract basis.

Since the board members had not had an opportunity to study the report in detail, Monday night's discussion was of a general informational nature, and much of it revolved around questions which are answered in the report.

CONSIDERABLE interest was evinced in police protection. As explained by Prince, the report suggests a possible police force of 10 men, including a chief at a starting salary of $550 a month, a sergeant or lieutenant at a starting salary of $440 a month, and eight patrolmen at a starting slary each of $385 a month.

"We envision that the officers would use their own cars, and that the city would install threeway radio equipment in each car," Prince said.

"There would be no 'pokey,' or jail, in Orinda. We would probably use the county jail."

Estimated population of the proposed city is 10,500, and assessed valuation is mentioned as "more than $20 million."

"AS AN INCORPORATED city, Orinda would take over all regulatory functions of the county affecting the community and all functions relating to land use. Orinda would also assume responsibiilty for local law enforcement and, with certain exceptions, for street and highway construction and maintenance. Additional functions could be taken over from the county or could be continued in Orinda by the county under contract," the committee points out.

"Special districts now provide Orinda's fire protection, sewage disposal, water supply, flood control and mosquito abatement. Except for fire districts, these special districts are larger than Orinda,and to withdraw from them would be either impossible or undesirable.

"As a city, Orinda could withdraw from one or more fire districts with assets divided in proportion to assessed valuation. Because the city would have difficulty providing fire services within its statutory $1 tax limit per $100, the committee recommends no change in fire districts.

"AN INCORPORATED Orinda would engage primarily in the following functions:

"Planning and zoning.

"Police patrol and law enforcement.

"Street construction and maintenance.

"Building inspection and subdivision regulation.

"Community recreation and other services not now provided.

"Intergovernmental relations.

"A CITY MANAGER is proposed as the administrative head of Orinda's city government, and he would be charged with responsibility for all city functions and with dealing with other governmental agencies serving Orinda.

"TYPICAL BUDGET" for the first fiscal year of the new city's operation is given as follows:

Receipts: Property tax, $63,500; business licenses, $14,000; sales taxes, $10,000; fines and penalties, $9000; building inspection fees, $15,000; franchises, $5000; state liquor licenses, $2000; state gasoline tax, $49,500; state auto-in-lieu, $91,000; state engineering aid, $4000; federal planning aid, $5000; county highway aid, $17,000. Total, $285,000.

Expenditures: General government, $33,000; police, $80,000; planning, $10,000; building inspection, $15,000; street maintenance, $71,000; street construction, $51,000; recreation, $5000; unbudgeted reserve, $20,000. Total, $285,000.

The committee states that this "typical budget' 'is "reasonably representative" of the years to follow the first fiscal year.

TIME-TABLE suggested by the committee is as follows:

June, 1956—Notice of intention; determination of boundaries; submission to County Boundary Commission.

July, 1956—Circulation of petition; filing of petition with the Board of Supervisors.

August, 1956—Checking of petition by county clerk.

September, 1956—Board of Supedvisors opens hearing on the petition.

November, 1956—Hearings completed; date of election set; council candidates file nomination papers.

January, 1957—Election on incorporation and to select first councilmen.

February, 1957— City of Orinda in formal operation.

"INCORPORATION requires circulation of a petition to be signed by landowners. If one-quarter of the owners of land, representing one-quarter of the total assessed valuation of land, sign the petition, it is filed with the Board of Supervisors, and the supervisors set a hearing on the matter of incorporation. After the hearing, at which land can be excluded, the board sets a date for election," the committee points out.

"The city is incorporated if a majority of the registered voters voting at an election are in favor. Five city councilmen are elected at the time of the incorporation election.

"The committee favors the city-manager form of government and recommends that the city manager form be provided for in the incorporation petition. The committee further recommends that the petition provide for appointment rather than election of the city clerk and city treasurer."

Boidies Hint Summer's Near

Summertime inched a bit closer to Orinda this week.

Skies were clear and the birdies were chirping — even the weatherbird. He expanded his chest and whistled the tune of warmth mingled with balmy breezes.

His whistle wasn't very wet, however, as no moisture fell from the blue, and the season's rainfall remained at 44.94 inches.

High temperature for the week was 83, recorded on June 7, while the thermometer dropped to a low of 39 on Tuesday night.

Here's what the meter read, day by day, fo rthe past two weeks:

	High	Low
June 1	78	46
June 2	85	48
June 3	77	50
June 4	68	47
June 5	68	42
June 6	74	49
June 7	83	42
June 8	80	43
June 9	80	45
June 10	73	50
June 11	81	39
June 12	77	39

Board Files Intention To Petition

Notice of intention to circulate petitions for incorporation of Orinda was filed by the Orinda Association with the County Board of Supervisors Tuesday morning.

The notice was signed by all 10 directors of the association and by several members of the incorporation study committee.

Signers were the association board members — President Mel Arighi, Vice-President Gene Estes, Secretary Claire Ward, Treasurer Marvin Baker, Caroline Harrison, Paul Pollaczek, Holland DuBois, F. A. Sawyer, Robert Boyle and Robert Walpole — and the following members of the committee, which is headed by Pollaczek: Marion L. Baker, secretary; Richard Bartle, Kirk Miles, Joseph Prince, Willard N. Porter, Fred Rust and Dr. Leonard Roth.

THE ACTION was taken at the urging of the committee report, which was submitted by Pollaczek at a board meeting Monday night at Orinda School auditorium.

Alrighi and Pollaczek stressed that the filing of notice of intention does not in any way commit the association board but that it protects the association, for a 50-day period, against any possible conflicting moves by other persons or groups.

The comprehensive 33-page report ,over three months in preparation, recommended incorporation of Orinda as a general law city and urged observance of a detailed time-table so that the new city could be in operation by next February, in order to be on the 1957-58 tax rolls.

THE REPORT was taken under advisement by the directors, who will study it further and who plan to reach an early decision on whether to recommend incorporation or formation of a community services district.

A report from the community services district committee, headed by Don DeWitt and Randy Cook, was submitted in March.

In order to expedite matters, the association board scheduled a special meeting for 7:30 p.m. next Tuesday at the Glorietta School.

Recommended for incorporation, by the incorporation study committee, is an area of about 20 square miles — "all of the Orinda Union School District except Tilden Park, the Park Hills area, land in and near Round Top Regional Park, and the extreme north portion of the school district."

"Part of the Orinda Fire District outside the school district is included in the proposed boundaries," the committee states.

"This area includes all of what is now considered the econmic and social unit of Orinda and comprises an area to which municipal services can reasonably be provided."

Orinda Couple, In Two Cars, Are Arrested

An Orinda man and wife will face arraignment in the Walnut Creek judicial court Tuesday at 10 a.m., on charges of driving under the influence of liquor, when stopped on Mt. Diablo Boulevard by officers early Monday morning.

Mrs. John Lackey, 35, of 61 Charles Hill Road, was driving west in a station wagon, and her husband, age 36, was close behind in a new convertible car, when Walnut Creek Officer Dick Quen spotted them at 1:50 a.m.

He said in his report that they were driving "in a very erratic manner."

The couple were taken to the Walnut Creek police department, and were given sobriety tests. The doctor who gave the tests indicated to investigators, that both the man and woman were under the influence of liquor.

Quen's report added that, "Mr. Lackey was very uncooperative . . . and finally had to be handcuffed and forcibly removed from the police department office into the patrol car."

Both were booked at the county jail, and later released on their own recognizance.

Colorado Degrees

Two Orinda students were among more than 1400 senior and graduate students who were awarded degrees during the University of Colorado's 110th commencement last Friday.

Carol Jean Earle of 142 Crest View Drive and Jayne Renee Kirk 5 La Noria, were both awarded the bachelor of arts degree.

Sun Wins National Newspaper Award

The Sun last week was awarded a plaque by the National Editorial Association for achieving second place in community relations and promotions, in competition with weeklies and dailies throughout the United States.

Announcement of the award was made at the Awards Night banquet June 7 at the NEA annual convention at the Brown Hotel in Louisville, Ky.

Herman Silverman, editor and publisher of The Sun, and Eleanor Silverman, associate editor, were unable to attend the convention, which opened June 7 and continued through last Saturday.

THE SECOND-PLACE award was won by The Sun in the only NEA contest in which weeklies and dailies competed against one another.

First prize went to the Riverhead, N.Y., News-Review; third prize went to the Montrose, Calif., Ledger.

In winning second prize, The Sun placed ahead of three daily papers which received honorable mention in the category of community relations and promotions — the Eureka, Calif., Humboldt Times; the Oswego, N.Y., Times and Gazette, and the Gainesville, Tex., Daily Register.

In all 16 major contest categories there were 1728 entries from newspapers in 45 states and Hawaii.

THE SUN was the only weekly in Northern California to win a top prize — first, second or third place. Only three California weeklies placed in the first three spots in any contests — The Sun, the Montrose Ledger and the Los Palos Star.

Prize plaques were presented by Wallace Odell, past president of NEA. Vice-President Alfred J. Ball of the Woodhaven, N.Y., Leader-Observer, presided at the awards banquet. Winners were announced by Contest Co-Chairmen John Wolf of the Norwood, Ohio, Enterprise and Leon Barnes of the Northwood, Ia., Anchor.

Among the judges were Professor J. L. O'Sullivan of the School of Journalism, Marquette University; Professor Chester Ball of the School of Journalism, Ohio State University; George A. Brandenburg of Editor and Publisher magazine, and Paul Sullivan, director of public relations, United States Steel Corporation, Pittsburgh, Pa.

"THE QUALITY of the newpapers in the top places indicates the success of their programs," the judges stated.

"A measure of success might also be indicated by acceptance of the publication by its own readers. Such acceptance would tend to build confidence in the publication among its subscribers."

Last February The Sun won first place in community relations in the statewide contest conducted by the California Newspaper Publishers Association.

Twice in the past five years The Sun has won awards for distinguished community service in statewide competition among dailies and weeklies.

REGARDING the latest award, Publisher Silverman said this week:

"The staff of The Sun wishes to thank the many organizations and individuals in the community who helped make this award possible.

"Only through the fine cooperation and spirit of the community is The Sun able to fill a significant role in the community.

"So this national recognition from the NEA really belongs to the entire community."

186 Graduates to Bid Pine Grove Adieu Tonight

The Pine Grove School will say goodby to 186 graduating students at commencement exercises tonight at 8 o'clock at Miramonte High School, before an assembly of parents, friends and teachers.

As the rites begin, the traditional processional will bring the graduates to the stage for their final Pine Grove assembly.

Following the Salute to the Flag, which will be led by Lee Robert Wendelbo, the Rev. Chauncy E. Blossom will deliver the invocation.

ORINDA SCHOOL District superintendent Joseph L. Sheaff will then take the stage to issue greetings to the graduates and audience.

Music by the band and a choral number by the graduating class will be the next portion of the program.

The band, directed by Gerald Meeder, will offer the famous "American Patrol," by F. W. Meacham, followed by the class' rendition of "Song of America," directed by Miss Sara Sabelman.

Dr. Philip Lambert, Pine Grove principal, will then present the Pine Grove graduating class of 1956 to the audience.

The long-awaited moment, the presentation of diplomas, will then highlight the evening's ceremonies. Ritchie Smith, a member of the district Board of Trustees, will signify the termination of the graduates' tenure at the school by issuing each his diploma.

TAKING THEIR final steps as students at the school ,the Class of '56 will file from the stage and up the aisles in the recessional, high-school bound.

The graduation comes in the wake of several senior class activities.

A class brunch was held last Saturday at the home of Mr. and Mrs. Ted Harrer, Seven Oaks Circle, Sally Ann Road. The eighth graders and their parents played volleyball, ping-pong and other games at the Harrer home, and witnessed a diving exhibition by Pine Grove Physical Education instructor Robert Sherman.

The class presented Mrs. Harrer with a set of nesting tables in appreciation.

Freeway Protest Petition Passed By Moraga Group

A petition advocating that the direct, State-backed route of the controversial Shepherd Canyon Freeway be implemented has been forwarded to the State Division of Highways by the newly-formed Moraga Valley Homeowners Association.

Circulated by the association, the petition reached nearly every resident of the Moraga Valley and, according to Homeowners Chairman John B. Thune, received nearly 100 per cent of their signatures.

The statement on the petition read:

"With reference to the proposed Shepherd Canyon Freeway, we the undersigned approve the most direct route from the tunnel to St. Mary's College (which route is favored by the State Highway Engineers and is shown in the general plan for Moraga, approved by the County Planning Commission).

"This route is the shortest, the least costly and is the most time-saving for the motorist. No homes would have to be condemned. The route is the least foggy.

"We disapprove of any route that would destroy potential park area.

"We disapprove of the other suggested routes as these would destroy homes in the Camino Pabol-Larch Avenue area, and adversely affect the investment in the remaining residences."

The Moraga Valley Homeowners Association was organized early this month at a meeting at the Larch Avenue home of Dr. B. R. Evans.

It was formed, stated Thune, not essentially as a protest group but as an organization devoted to the development of Moraga Valley.

Thune, director of the Oakland YMCA, was named chairman, while Dr. Evans, B. G. Franklin and V. J. Pagliero are board members.

The association has about 80 members, according to Thune.

Freeway Hearing Next Thursday

Public hearing on routing of the western leg of the future Shepherd Canyon Freeway will be held at 2 p.m. Thursday before the State Division of Highways, at Miramonte High School auditorium, Moraga Highway and Ivy Drive, in southern Orinda.

The meeting, according to assistant State Highway Engineer B. W. Booker, will be "for the purpose of acquainting local officials and interested individuals with information which has been developed in connection with location studies for the proposed 'Shepherd Canyon' Freeway."

INTEREST and controversy continued this week as local groups and individuals studied the four possible routes which have been mentioned. These are:

1. The state-favored route, tentatively recommended by the district office of the State Divsion of Highways — an approximately straight-line, direct route from St. Mary's College to the vicinity of Miramonte High School.

2. A route slightly south of the state-favored route. This alternative would loop south of Moraga townsite.

3. The Indian Valley route, still further south.

4. The Redwood Canyon route, south of the Indian Valley route.

TWO MEETINGS were scheduled to discuss the controversy last night, as this issue of The Sun was going to press.

One was a board session of the Diablo Highway Improvement Federation at Chairman Elliot J. Hartman's home at 18 Hidden Valley Road, Lafayette.

The other was a conference by Assemblyman Donald Doyle with representatives of groups favoring the Indian Valley route at the home of the John Cartwrights at 32 Estabueno, Orinda.

The conference with Doyle had previously been scheduled for last Wednesday night, but was postponed to last night for Doyle's convenince, according to representatives of the Lincoln Estates Improvement Association. The Lincoln Estates group is one of the organizations on record as favoring the Indian Valley route.

The Contra Costa County Women's Planning Council which earlier had advocated the Indian Valley route, last week announced withdrawal of this endorsement. The council blamed "lack of technical information and guidance from the Contra Costa County planning staff" as being "directly responsible" for "misunderstanding that today surrounds the development problems of the Moraga area."

ALTHOUGH the Orinda Association board went on record last week in favor of the Indian Valley route, and had referred the matter to its Civic Affairs Committee, a letter from Civic Affairs Chairman William Thurston was read at Monday night's board meeting stating that the Civic Affairs Committee will not take any action until after next Thursday's hearing.

Doyle has announced that he will present the arguments of groups favoring the Indian Valley route at the Highways Division hearing at Miramonte.

Booker has stressed that although all viewpoints will be welcomed at the Thursday session, the meeting will "not constitute an official public hearing before the California Highway Commission," which alone has the power to decide on the route.

Scholarships Given

Verna Abbie of Las Lomas High School, and Diane Snashall of Acalanes High School each received a $200 scholarship awarded by the Contra Costa Medical Association, it was announced.

Association Files Suit To Block PIE

Suit for declaratory relief and for an injuction to prevent construction by Pacific Intermountain Express Company of its planned $750,000 office headquarters building at the Pine Grove was filed Monday in Superior Court in Martinez on behalf of the Orinda Association.

Judge Hugh H. Donovan, presiding judge of the Superior Court, directed county and PIE officials to appear in court (Department 3 next Monday, to show cause why a temporary restraining order should not be issued.

The suit was filed by Attorney Nathan Engleberg of Richmond, who has been retained by the association to handle the case.

ANNOUNCEMENT of the filing of the suit and the retention of Engleberg was made by President Mel Arighi at the meeting of the Orinda Associaiion board Monday night at Orinda School.

Engleberg attended the directors' meeting, and was introduced by Gladys Schwatka, regular legal counsel for the association.

PIE's application for administrative office district rezoning of its 10.7-acre Pine Grove property was approved over a month ago by the County Board of Supervisors, after having been recommended by the County Planning Commission. The rezoning ordinance became effective last Friday.

NAMED AS DEFENDANTS in the suit are County Building Inspector Rudy Kraintz, County Planning Director Thomas Heaton, other county officials, Intermountain Termial Company and its subsidiary, PIE, and C. E. Johnson, executive vice-president of PIE.

The suit asks the court to:

1. Declare null and void Ordinance 1050, under which the PIE parcel at the Pine Grove was rezoned from residential-agricultural to administrative office district.

2. Grant an injunction against Kraitnz' office to prevent issuance of a building permi to PIE for the contemplated office structure.

3. Grant an injunction against PIE and Intermountain Terminal Company, to prevent them from erecting the building.

Planning Commissioner Joseph D. DeCosta of Orinda and Board of Supervisors Chairman H. L. Cummings are accused of bias, and the suit further alleges that the supervisors refused to hear all interested parties.

BESTOR ROBINSON, PIE attorney, said the association action had been expected, and that the firm was not prepared to apply as yet for a building permit, since the arcihtects' work on detailed plans had not been completed.

The suit states that the Orinda Association represents 3298 Orinda residents who signed an association - conducted petition - poll against the rezoning.

Acalanes Trustees Approve $1,580,500 First Budget

A tentative budget toatling $1,580,500 was recently approved by the Acalanes High School District trustees.

This will mean a tax of about $1.58 per $100 assessed valuation, pending final reports, they announced. A final public hearing on the budget will be held August 1 at 8 p.m. at the district offices.

Trustees accepted the resignation of George Belon, director of district transportaton services for the past two years.

BELON WILL BE retained, however, as a consultant on safety and pupil transportation. Roland Coad, a dispatcher and driver who has been with district transportation for four years, has been appointed acting supervisor of transportation.

By mutual consent Acalanes trustees and Ernest J. Kump, architect, have terminated earlier agreements, excepting those now under construction and other projects for which plans have been drawn.

John Lyon Reid and Partners, architects, have been retained to design the fourth district high school.

The high school board awarded contracts for school shop tools amounting to $4101: furniture and equipment for $9491; physical education supplies and equipment, $10,482; and musical instruments, $2999.

Trustees called for bids for darkening 12 classrooms in the district schools for audio-visual purposes and accepted a completed a contract for moving utility poles fronting Acalanes High on Pleasant Hill Road.

Improvements for the Las Lomas baseball diamond were also discussed and further study authorized. The board also heard a summary of the final report by Stanford researchers studying district growth problems and needs, accepting a final copy of the research report.

A POLICY OF NOT paying registration or tuition for any pupil of the district for summer schools was approved. Regular summer meetings for July 2, for organization purposes and August 1, for budget consideration and business session were fixed.

Superintendent Neil M. Parons reported that district administrative facilities would be moved to the new district offices building on the Acalanes campus within the week.

Right-of-Way Offer by State Upped by Jury

A superior court jury awarded $30,000 to John DeVito of 1650 Newell Avenue, Walnut Creek, Monday, concluding a condemnation suit brought by the State of California to acquire a right-of-way for the southern leg of the Walnut Creek By-pass.

The suit was brought when DeVito refused a state offer of $26,000, later raised to $28,000.

The DeVito property includes .8 acre of land bought in 1947, and a home completed in 1952. The Right-of-Way authorities first approached DeVito in February, 1955.

WHEEL ALIGNMENT

Having the wheels of your automobile aligned and balanced periodically is an important service function. Correct wheel alignment makes steering easier, reduces wheel vibration and eliminates uneven tire wear.

$8,900,000 Sewer Bond Vote Set for August 7

Voters will determine on August 7 the fate of a long-studied $8,900,000 sewer bond issue, directors of the Central Contra Costa Sanitary District decided at a meeting last week.

The proposal for a nearly $9 million vote on general obligation bonds had undergone careful surveillance and survived the studies made by the County Health Department and County Board of Supervisors, who finally concurred in the opinion that such a bond issuance was necessary to the district for health reasons.

INITIATED EARLY this year, the proposal was forerun by a similar bond issue several years ago and a $4 million Sanitary District vote last year, both of which failed.

Timing of the election will permit the bond issue to pass with only a simple majority vote rather than the usually required two-thirds, as legislation allowing for the easier passage expires September 1.

The bonds would be used to expand sewerage facilities, including larger and parallel mains to existing lines, enlargement of the treatment plant near Pacheco, construction of an outfall line to Suisun Bay, and improvement of the pumping stations at Moraga and Orinda.

Proposals infused into the bond election are results of the $40,000 Brown and Caldwell engineering report, and if passed will implement stages two and three of the report.

IN THE LENGTHY bond master plan read by CCCSD Board member John Nejedly at the meting, it was stated that total Sanitary District expenditures following the vote would come to $9,661,000, $8,900,000 of which would come from the bonds.

The bond issue statement also outlined specific costs and expenditures that each CCCSD improvement would entail from the bond funds. Ernest Spiegl, another board member, questioned whether the "flexibility of expenditures" would be impaired under such stringencies.

Charles P. Burgess, of the firm of Kaiser & Company, financial consultants, concurred that flexibility must be maintained, and Nejedly, who had written the statement, agreed to revise the wording.

Impetus to the unanimous decision to hold the election was given by a recent Kaiser & Company report which indicated that such a bond issuance would result in a continung reduction in the tax rate within the district.

THE BOND ISSUE, with a 5 per cent interest rate, the report stated, could be financed at a combined tax rate less than the 60 cent maximum now charged only for maintenance and operation.

Within four years, the report indicated, the combined tax rate would drop below 30 cents. In less than 20 years it would fall below 30 cents per $1000 assessed valuation.

Reductions would come, the report continued, as the population rises and as assessed valuations in the district go up.

A motion to retain George Darrington to maintain close surveillance on the bond issue was passed unanimously by the board.

Another important decision made at the meeting was the board's approval of a $447,680 budget for the coming year.

ALTHOUGH NOT officially sanctioned as yet, the figure is slightly higher than the Sanitary District's budget of last year, but will not represent any rise in the tax rate, according to Board Chairman Irving Roemer.

Approximately $264,129 or less of this total is to come from taxes.

The increase was due mainly to an increased payroll which has almost doubled in the past two years.

With tax rates remaining at a maximum of 60 cents per $100 assessed valuation, additional revenue will come from increased permit and inspection fees.

It is estimated a tax rate near 28 cents will be required for running expense. The differential between that figure and the proposed maximum rate would be allocated to sewer construction, pending the outcome of the bond issue election.

RESOLUTIONS INSTITUTING formation of local improvement district No. 34, to install sewers in the Minerinda area, were also adopted by the board.

Residents of the local area requested the action. A public hearing on the proposed district and work will be held on June 28 at the CCCSD board office in Walnut Creek.

Bids for a new CCCSD office building will be opened on July 5, the board agreed.

Second call for bids will be sent out next Wednesday. Building plans, found to necessitate too high a bid, have been altred to allow for a lower-cost, functional building.

Discussion on the new site ensued.

New Division of Uniform Sales Tax Revenue Proposed

The Contra Costa County Farm Bureau, in a recent letter to the Board of Supervisors, proposed a division of revenues from a county-wide uniform one per cent sales tax, now under consideration.

The cities in the county should get 75 per cent of their sales tax revenue, and the counties should get the one per cent levied in the unincorporated areas, and 25 per cent of the cities' revenues from that source.

THIS WILL alleviate inequities between the county and the cities, which would develop if the cities received a full one per cent of the sales tax money levied in their own jurisdictions, according to Farm Bureau representatives.

The text of their recommendations are, in part, as follows:

"The amount of sales tax paid and collected is $1,206,000 in the incorporated cities. There is, of course, no sales tax in unincorporated areas.

"The incorporated cities proposal is to retain 100 per cent of all tax collected. We have shown the amount of sales tax paid in the incorporated cities, $1,206,000, with the anticipated collections under the county wide plan, $1,737,000.

"The increase can be explained through increased efficiency and better collection facilities plus the new principle of paying sales tax at the point of sale instead of at the point of delivery as at present.

The tax paid in the unincorporated areas is anticipated at $586,000 with none returned directly to the area.

"If the $586,000 collected in the unincorporated area is then placed in the county general fund, in accordance with the proposal, there will result in a 9.6 cent tax credit per $100 valuation on the property tax bills. This is based upon each 1 cent in the tax rate collecting $61,000.

"The final result is reduced tax bills in incorporated cities amounting to $223,000 in the unincorporated areas amounting to $363,000.

"COMPARING THE amounts now paid and the amounts which will be received under the county wide sales tax plan, either by direct payment or by tax credit to the taxpayers, shows that the incorporated cities will gain $754,000 largely at the expense of the unincorporated areas. The unincorporated areas will lose $223,000.

"The unincorporated areas proposal is that incorporated cities retain 75 per cent of tax collected.

"We have shown a similar comparison except that only 73 per cent of sales tax collected in the incorporated cities, $1,303,000 is returned to the cities.

The balance of $434,000 is added to the $586,000 collected in the unincorporated areas and placed in the county general fund.

"There will result a 16.7 cent credit per $100 valuation on the property tax bills. This will amount to $388,000 in the incorporated cities and $632,000 in the unincorporated areas.

"The comparison of the total amounts under this proposal shows that the incorporated cities will still gain $485,000 over the present sales tax and that the unincorporated areas have reached an approximate break-even point, or show a gain of $46,000.

VA Hospital Decision Pending

Still being awaited this week was definite word from the Veterans Administration regarding the eight-story VA hospital being planned for southern Orinda, at Ivy Drive and Moraga Highway, across from Miramonte High School.

During the past week Colonel R. M. Edgar, assistant administrator of VA construction, announced in Washington that neither Parks Air Force Base at Pleasanton nor Camp Stoneman is acceptable as an alternate site.

Meanwhile top VA officials, at the urging of Congressman John Baldwin, were reported to be reconsidering the entire problem of a new site.

VA SELECTION of the southern Orinda site stirred up a wave of protest in the Orinda - Moraga area, culminating in a public meeting May 21 at Miramonte High School auditorium, attended by over 800 people.

This protest gathering was addressed by Colonel Edgar, who flew here from Washington.

Subsequently, Baldwin urged H. V. Higley, administrator of veterans' affairs, to withdraw plans for the Orinda-Moraga site.

A VA CONDEMNATION suit for the Moraga Highway-Ivy Drive 20-acre parcel is on file in U.S. District Court in San Francisco. The land is owned by Utah Construction Company.

Prior to last week, Colonel Edgar had announced that Benecia — suggested as a site by the Benecia Chamber of Commerce — would not be acceptable as an alternate site.

In a letter to Baldwin, Colonel Edgar wrote: "Benecia's distance from Oakland and its relative inaccessibility preclude its consideration as a site for this hospital."

Attorney Robert Thaman of Orinda, who acted as chairman of the May 21 protest meeting, reported last week that Baldwin had informed him that the entire problem of a site was being reconsidered by VA.

New Undersheriff

Acting captain and acting undersheriff John J. Jagard was named this week to the permanent position of Undersheriff, replacing Al Aljets of Martinez who retired recently.

Sheriff Harry Brown made the announcement. Jagard has been a deputy since 1944.

Replacing Jagard is Sgt. Walter Young, who has been in charge of the Walnut Creek Substation. Young will become acting captain in charge of the criminal division in Martinez.

Air Safe Zone

Contra Costa County has been allocated an additional $45,206 in federal funds to acquire property for a "safety zone" at the ends of the main runways at Buchanan Field, according to an announcement by Congressman John Baldwin this week.

The acquired property will provide obstruction-free "glide-paths" at the end of the runways.

Total federal aid to the county airport this year has been $58,596.

WEARINESS

Two enemies of safe driving are weariness and worry. Weariness slows down reaction time and worry affects concentration. You can't always stop worryink when you get behind the wheel of your car, but you can take a rest if you're weary. Give yourself a break, don't drive when you're tired.

BRAKES NEED BREAKING IN

The brakes on a new car or on a car that has been fitted with new brake shoes or linings should be broken in correctly. This is done by applying the brakes moderately for several days until they are nicely burnished. Severe application of the brakes may permanently injure new linings and may score brake drums.

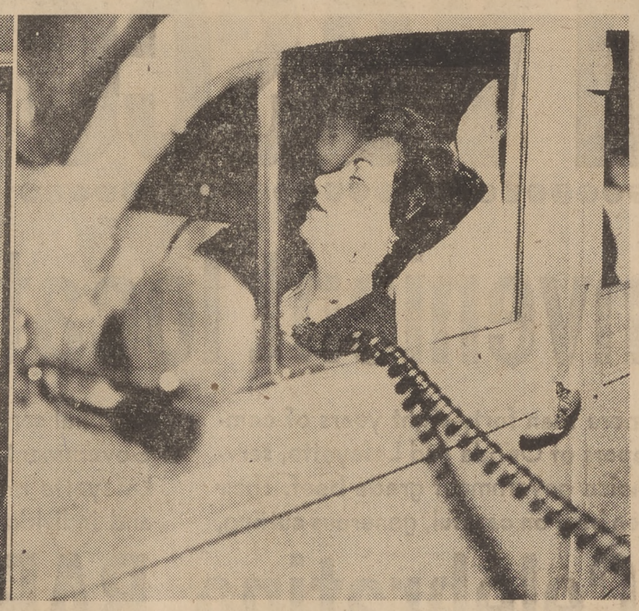
Mrs. Suburbia Leads a Life of Ease

SERVING BREAKFAST is no easy job at the home of Mrs. Central Contra Costa County — in this case, Mrs. Donald Neith. Getting hubby up for work and taking care of pre-school and school age children and keeping some sort of order around the house is just routine to Frances.

TIME FOR that early morning inspection before anyone goes anyplace. Here Baby Rosemary, 10 months in the arms of Frances, Sandra, 12, Carol, 11, Donna, 8, Joanne, 5½, and Frankie, 4½, get a last minute going over.



NOTHING LIKE nice quite relaxation at the drive in theater after a full day of taking care of six kids, 18 meals, countless dishes and hubby too. Only one catch—couldn't get a baby sitter so all the kids, hubby and Mrs. CCC take in a good western.

WHO SAYS THAT there's a lot of work to doing wash for six children? Mrs. Contra Costa doesn't think it's so hard. "Why it's just half as much work as 12 children and twice as much as three kids." —Sun photos by Jim Gates

Canyon Callings...

By GLADYS SHALLY, DRake 6-4674

The last and the largest Canyon Community Club meeting of the season was held on Wednesday evening of last week at Canyon School. An extra large attendance turned out to hear from state highway engineers the proposed Canyon Freeway plans and to see state maps of the four routes being studied.

C. F. Greene, assistant district engineer, assured Canyon people that Redwood Canyon route is not favored by the state. Construction of the tunnel would mean realignment of Pinehurst Road, which would continue as a county-maintained secondary road after the freeway is built. Greene said there would be an access road from the freeway into Canyon but that its location had not been determined.

J. L. McWaters, design engineer, and Greene answered questions in the discussion period which followed.

QUARRY QUERY

Also appearing as a speaker was A. J. McCosker, who outlined his plans for a quarry he wished to locate on his property in Canyon.

He said he did not expect to use blasting in the operation of the quarry, that his rock crusher was a fairly small one which should create no rock dust problem.

McCosker would not go on record as saying his trucks would not use Pinehurst Road.

Next on the agenda for the evening came election of officers—Canyon style (which means officers for the coming term are elected by secret ballot, but no nomnations are made.).

The results: A sure-fire, hilarious method of "railroading" members into office. (No one has as yet dared to refuse when elected by this popular vote method.) Those elected to take office in September were: Mrs. Charles Lucius, president; Mrs. Gladys Beckman, vice-president; Mrs. Louise Gadsden, secretary, and re-elected as treasurer, Mrs. John Shally.

Out-going officers are: Mrs. Paul Foster, president; Mrs. Eddie Logsden, vice-president, and Mrs. "Bud" Gorensen, secretary.

The weather was perfect for the annual school and community picnic held last Sunday beginning at noon, under the redwood trees in the Canyon School playground. Mrs. Eddie Logsden was chairman for the affair, assisted by many of the school mothers. Hot dishes, salads and desserts were donated while the Community Club furnished hot dogs, ice cream, coffee and pop.

There were quite a few "old time" residents and former Canyon School pupils who came to enjoy the lunch and visit with their former neighbors.

FOR THE BIRDS

Recently, after Alice Dunham had scattered grain for her pair of Bantams, she saw a pair of quail feeding with the chickens. They soon came regularly when she called the Banties and now they have become quite tame.

At each feeding time, first the Bantie rooster clucks to his hen to come arunnin'; next the male quail emerges from nearby shrubbery (where the quail apparently have a nest) calls to his mate that all is clear and dinner is being served. Soon all four birds are pecking away at the grain, completely unafraid.

Mrs. Dunham is beginning to wonder how many young quail she may have to provide for.

It has become a custom at the end of the schol year for the young men from a Berkeley theological college who teach religious education to take the Canyon school children on a swimming party. Recently after school 26 youngsters piled into cars driven by Jim Bell, Dick Hamm, Chris Koch, Bill Crews and Gene Walker. Their destination was Forest Pool in Montclair where they found the water somewhat cool, but the sunshine warm and the swimming fun.

Roger McCosker and Denny Shally, hiking over a Canyon hill, came upon a small fawn, limp with exhaustion from its struggle to get free, dangling by one leg from a barbed wire fence. However, it was apparently unhurt, for as soon as the fawn was released it ran a short distance where it was joined by an anxious doe and a twin fawn—both unnoticed until that moment.

The boys said they felt a sort of warm glow as they watched the mother deer and two babies bound out of sight.

Canyon School Graduates Pair

The two graduates of the Canyon School who have passed into high school ranks were in the spotlight last night during graduation ceremonies at the school.

Ronald C. Scholin and Ronnie Lee Waldrep, the graduates, helped open the program at 8 o'clock by leading the Salute to the Flag and the singing of "America the Beautiful." Mrs. Rubyruth Beers, primary teacher was piano accompanist and director of musical numbers which came later in the program.

The eighth-grade class play "Father of the Year," a family situation comedy, had a cast of ten performers. Ronnie Waldrep was Father and Ronnie Scholin the reporter.

Others (from fifth, sixth and seventh grades) in the cast were: Sandra Well, Pat Crawford, Dotty Shally, Judy Kies, Linda Logsden, Gerald Goss, Mary Beckman and Danny Hull.

After the curtain closed on the play the youngsters from the "little room" (first to fourth grades) grouped in front of the stage to sing three of their favorite songs: "The Old Man," "Little Dutch Mima" and "Rainbow Fairies."

Ronnie Scholin returned to the stage to read the class will, followed by Ronnie Waldrep with the class prophecy.

The graduation address which followed was given by Mrs. William Drake. Walter Hambleton, principal and upper-grade teacher presented the two boys with their diplomas.

As a final ceremony Mrs. Carlo Scholin and Mrs. Ritchie Waldrep pinned the gold class pin on each boy's coat lapel.

Decorations were in school colors of green and white: green ferns and white daisies. The boys and Mr. Hambleton each wore white carnation boutonnieres, the four women on the program had gardenia corsages. A graduation party to which last year's graduates were invited closed the evenings' festivities.

Three Get EBMUD Tenure Service Pins

East Bay Municipal Utility District recently honored three local employees with tenure service pins.

Awarded his 25 year pin was Ralph E. Paul, a water treatment plant supervisor of 185 Orinda Highway, Orinda. Five year pins went to hydographer Robert K. Blanchar of 2812 Lower Happy Valley Road, Lafayette, and William C. Butler, 1243 Barott Road, Lafayette, a light equipment operator.

20-Year Pin Given

The Kraft Foods Company plant in Oakland honored Oren W. Asay, 3701 Highland Road, Tuesday when he was given the Kraft Award representing the company's appreciation for 20 years of service.

The award program was established by Kraft in 1945 and awards, accompanied by a Service Citation Certificate signed by G. C. Pound, president, are given for 10 15 and 20 year periods of service.

Crowd Attends Meadow Golf Club Open House

A crowd of members and guests attended a reception and open house at the Meadow Brook Golf Club held Saturday, with Board of Directors acting as hosts.

Formerly the Alwyn Probert School for boys which was closed a year ago June, the open house was the culmination of a year's preliminary work to establish a golf club at Reliez Valley and Grayson Roads.

In addition to the 65 acres on the property, the board of directors with Arthur Lambert of Oakland as president of the board, are negotiating for 55 additional acres of the adjacent Angell property on the west side, part of which is to be used for Oakmont cemetery.

The former school facilities will be used as a clubhouse, with patio, swimming pool, barbecue area and other out-door facilities already on hand to make a family type organization, according to Lambert.

Construction has been started on a 9 hole golf course to be completed the end of this summer, with plans for an additional 9 holes eventually for an 18 hole course. Negotiations are underway to secure the services of a prominent Bay Area golf course architect for the project.

The first annual meeting will be held July 1. Membership is open, and interested persons can contact board members, Lambert, Joe Lahay of Lafayette, Al Wolff of Orinda, Ed Moran of Oakland, or Charles Patterson of Withers Avenue, Pleasant Hill.

The club's official address is P.O. Box 1025, Lafayette.

Moraga School Graduates Four

Moraga Elementary School is depleated by four pupils today, following last night's graduation ceremonies held in the school auditorium.

Lost to high school ranks were: John Sargeant Thune, son of Mr. and Mrs. John Thune, Camino Pablo; Karen Ann Glasky, daughter of Mr. and Mrs. F. B. Glasky, 280 Rheem Boulevard; Carol Ann Freitas, daughter of Mr. and Mrs. Joe S. Freitas, Larch Avenue, and Ronald Jon Sanders, son of Mr. and Mrs. F. G. Sanders of Camino Pablo, all of Moraga.

Principal speaker William Ross, dean of boys at Miramonte High School, spoke on "The Challenge of High School Youth" at the commencement rites which began at 8 p.m.

Other speakers included the graduates themselves.

Ronnie Sanders gave class welcome, Carol Freitas delivered the invocation and the class goodbye, John Thune told of the history of his class, and Karen Glasky gave the class will and the benediction.

Certificate awards were made by John Sanders, clerk of the board of trustees, and Charles E. Toll, eighth grade teacher at the school.

Musical events on the program featured numbers by Mrs. Gurd Oldford's First and Second grade class; Mrs. Alberta Hausken's Third, Fourth and Fifth grade class; Charles Toll's Sixth, Seventh and Eighth grade class, and a piano solo by Peggy Evans.

Moraga Dateline

By EVA THUNE, DR 6-5593

On their regular meeting, May 29, the Moraga Brownies, Troop 23, hiked to the Moraga Firehouse, where they were welcomed and given a tour and talk by Chief Al Baitx, on Fire Prevention and Protection. They were led by Leader Jo Kelly and Co-leader Dee Davis, both residents of Rheem Boulevard.

SATURDAY STOMP

Saturday, June 2, was the night set for the Moraga Community Club party, and although it was hot through the day, the evening was very pleasant.

Barbecued chicken, with corn-on-the-cob, salad and French bread was served to 155 people, who sat at tables around the pool — except for those less hardy persons (including me) who went indoors.

Swimming wasn't too popular, but dancing seemed to be the order of the day. Jack Clark of Clark's Market arrived a bit late with a large party which included the orchestra, which had been playing for the street dance held at the Rheem Center. Lots of people, lots of noise, lots of fun.

Celebrating their 36th wedding anniversary at the party, was Mrs. Betty Parker, but she had to celebrate without Captain Parker, for Harold is in the East visiting his mother. Betty tells me they had one of those romantic marriages, full of tradition, at the Naval Academy in Annapolis, Maryland.

Also celebrating were Bing and Hilda Franklin of Larch Road, who were hosts for a number of friends at a cocktail party preceding the C.C. party. The Franklins were married 21 years ago in New York City, N.Y.

House guests of the Franklins are Bing's mother, Mrs. Clara Franklin, from New York City, N. Y., and her friend, Mrs. William Bohmfalk, who lives in Westfield, N.J. The two ladies will be visiting between Bing's family and his sister, Mrs. Allan Sapiro, of San Francisco. A very pleasant stay to you both.

The Carrol D. Kellys were also celebrating — their 10th anniversary on June 2. Their married life started in Ada, Oklahoma, and it seems they have been moving around a lot since.

Now another move, as they are being transferred back to St. Louis, so they're selling their new home at 316 Rheem Boulevard.

Carrol goes back as Merchandise Manager of Johnson, Stephen, Shinkle Rhythm Step Shoes, and although they hate to give up their home in Moraga, it was too good to turn down. A lot of luck to the Kellys in their new home in Missouri.

Acalanes High Will Graduate 245 This Sunday

Acalanes High to Graduate 245 in Rites Next Sunday

Seniors at Acalanes High School will officially terminate their high school years Sunday at 2 p.m. on the Acalanes Memorial Field, when the school's annual commencement exercises take place.

Ruby Yaryan, Diane Bregar and Joseph Sheaff will represent 245 graduating seniors at they deliver the student addresses.

Acalanes Principal Stanley Walgren will present the class and Dr. Ralph Hall, school trustee, will award diplomas.

CEREMONIES WILL begin on the Memorial Field with the traditional processional, which will be followed by the Invocation by Father William M. J. McHugh, O.M.I., of St. Mary's College.

Following the Pledge of Allegiance, led by Keith DeVillers, Class President Sheaff will deliver his address.

Diane Bregar will then deliver a senior speech as a class representative.

At the conclusion of a following number by the school chorus, Ruby Yaryan will address the class and audience with another senior speech.

Special achievements during their years at Acalanes will the be signified for several of the graduates as Neil H. Parsons, Acalanes District superintendent, presents the awards.

After Principal Walgren presents the graduating class to the assembly, the highlighted moment of the afternoon will begin as Dr. Hall presents the diplomas.

At the conclusion of the diploma presentation, a final tribute to the school by Acalanes seniors will be given as the entire class rises to sing the School Hymn.

The Benediction will follow, with the Rev. Chanucey Blossom, Pastor of the Orinda Community Church, conducting the rites.

Marching together as students for the last time, the graduates will then file from their stands in the recessional, high school students no longer.

Foreign Pupils Tell Rotary of Changed Views

Three students of foreign lands who have been studying at Acalanes High School and who return to their countries shortly told the Orinda Rotary of their reactions to American scene at the Rotary meeting Wednesday at the Willow Inn.

Sponsored by the American Field Service, the students have been at Acalanes for the past year. They told Rotary members that their views of American life had changed radically since their arrival here.

With American Field Service representative acting as moderator, Guido Graziussi of Naples, Italy, Birghitta Borrie of Stockholm, Sweden, and David Carter of London, England provided the Rotary program.

All three agreed that their preconceptions of America were wrong, and Miss Borrie, according to Rotary publicity chairman Clarence Betz, wished "she could stay here longer."

Maynard Buhler, Rotary president, acted as program chairman.

At next Wednesday's noon meeting, also to be at the Willows Inn, a special "Children's Day" program will be presented, with Paul Pease as program chairman.

Seven Orindans Get Reserve School Awards

Seven Orinda residents on June 11 received certificates of satisfactory completion for participation in the Naval Reserve Officers School, Treasure Island.

Presentation of the certificates was made by Rear Admiral Earl E. Stone, USN, at the concluding ceremony of the school at the Officers Club, Treasure Island.

Certificate recipients are:

Herbert S. Beasley of 94 Tara Road, engineering firm administrator, a commander in the Naval Reserve who studied Military Justice.

W. N. Clyatt of 755 Miner Road, insurance agent, a commander who also studied Military Justice.

Maurice H. Gardner of 33 Tarry Lane, electrical engineer, a lieutenant who studied Naval Construction Forces.

D. L. Hagmann of 464 Camino Sobrante, research chemist, a lieutenant commander who studied Public Information.

Charles H. Hansen Jr., of 17 Estabueno, local firm executive, a lieutenant commander who studied Personnel Administration.

Marvin H. Miller of 5 Vida Descansada, assistant bank trust officer, a commander who studied Strategy and Tactics.

Edward S. Taylor of 14 El Patio local service engineer, a lieutenant who studied Navy Operations.

The Naval Reserve Officers School is part of a national program designed to broaden the knowledge and professional competence of Naval Reserve officers not on active duty.

Don Groups Pick Their Officers

Acalanes girls have named Susan Wasson, president; Phyllis Dail, vice-president; Gayle Sheehan, secretary; Judy Peterson, treasurer; Sheryl Etzler, senior representative; Mary Ann Richardson, junior representative, and Judy Clark, sophomore representative in the Acalanes Girls' League, organization for all Donnas on the Lafayette campus.

A freshman representative will be chosen early next fall, when the ninth grade reports to school.

Girls' League activities this year included a successful magazine subscription sales campaign which netted operating funds for the league for the next two years, a freshman talent assembly, a tea for mothers of senior girls, and the annual Acalanes Mother's Tea and Fashion Show.

Acalanes boys, members of the Don Boys' Federation, named the following students to federation posts: John Cadwell, president; Rich Markstein, vice-president; Larry Pilcher, secretary and Jim Dinkle, treasurer.

Thomas Carroll, 78, Dies Monday

Thomas Patrick Carroll, whose parents settled the Carroll Ranch in the 1850's, died Monday at 78 in an Oakland hospital.

Born on the Carroll Ranch, Mr. Carroll lived there until 1947, when the family sold a major portion, some 200 acres, of the holdings. Two years ago Mr. Carroll built a home at 391 Castello Road, Lafayette, where he resided until his death.

He is survived by his widow, Juanita; two daughters, Dorothy and Marian Carroll; and a sister, Mrs. Mary E. Barnes of Moraga.

He was a member of Piedmont Parlor 120, Native Sons of the Golden West.

His parents and an uncle, who came to California by covered wagon, settled an adjoining ranch, which they later traded for the Carroll holdings. It was the oldest settled ranch in the original Spanish land grant of Moraga.

The holdings were sold to Donald L. Rheem for a shopping center and subdvisions.

Funeral services were held yesterday in the Chapel of the Oaks, Oakland, and were followed by a Requiem Mass in St. Leo's Church.

Edwin Boyce Wins New Bank Assignment

Edwin N. Boyce, 111 Moraga Highway, Bank of America district operations officer in Berkeley, has been named assistant manager of the statewide bank's Richmond obranch, it was announced in San Francisco today by Frank F. Risso, vice president and personnel relations officer.

Boyce succeeds Linwood J. Ginder, promoted to manager of the Richmond branch last month.

A native of Alameda and a graduate of the high school there, Boyce joined the statewide bank in March, 1926.

'Tony and Vasco' Now Own Kings Meats in Lafayette

New owners of the meat department at Kings Food Center in Lafayette are Tony Fereira and Vasco Giannini, who are also the co-owners of the meat departments at Clark's Market, Rheem Center, Moraga, and at Black's Market in Orinda.

Fereira and Ginanni took over operation of the meat section at the Lafayette market from Eddie Poarch last week. Poarch continues to operate the meat department at Kings Food Center in Pleasant Hill, as he has in the past.

Ben Singer, who has been managing the meat counter at Black's Market, is the new manager of Food Center in Lafayette, for Fereira and Giannini.

THE NEW OWNERS bring a wealth of experience to their new responsibility. Fereira has been in the meat business for some 30 years, whle Giannini has had 18 years' experience.

"We will offer the same high quality of meats and sea foods as we have been to our thousands of friends and customers thorugh-out the area," Fereira says.

HE POINTS out that the reputation of "Tony and Vasco" meat departments has been built on long-time personalized service, at "T and V Choice Meats" at Black's and "Moraga Choice Meats" at Clark's.

"WE'RE EXTREMELY proud of the support given our meat markets during the past nine years in this area by literally thousands of well-satisfied customers," Fereira states. And Giannini adds:

"We are here to serve the residents, and to offer quality meats. We handle only U.S. government-inspected choice grades—at reasonable, competitive prices."

Singer, who has personal supervision over the meat market at Kings Food Center in Lafayette, says:

"IF YOU WISH a special cut of meat, just let us know and we will cut it for you.

"If you want to place special orders, we are prepared and happy to serve you."

"Come in and let's discuss your menu problems and details. The meat will be cut according to your desire," Giannini says.

Guests Gone Fishin'

Mr. and Mrs. Earl Walker of Desert Hot Springs have been visiting their daughter and her family, the Jess Longs.

They stayed a week in Orinda and now are at Fort Bragg salmon fishing. When they return the two families plan a camping trip together.

Friend Link Added

A dessert and bridge party last week at the home of the A. C. Flenners on Acacia Drive added another link to the Chain of Friendship project sponsored by the Community Church.

Guests were Mr. and Mrs. Keith Arnold, Mr. and Mrs. Kenneth Beeman, Mr. and Mrs. William Brunk, Mr. and Mrs. Ed Slusser, Mr. and Mrs. Joseph Spencer and Mr. and Mrs. De Loss Winkler.

Calvary

Giving special emphasis to Father's Day, Dr. Kyle M. Yates Jr. has titled his Sunday morning sermon "Father and Son." Dr. Yates is pastor of the Calvary Baptist Church, 1604 Mt. Diablo Boulevard, Walnut Creek.

Fathers are especially invited to attend the services and to bring their families with them.

At 7:30 p.m., Dr. Yates will use the subject, "Why Christ Can Claim Our Best."

Other activities of the day include Sunday school at 9:45 a.m.; Training Union at 6:30 p.m., and fellowship following the 7:30 service.

A western theme will predominate when church members and friends gather at the home of Dr. and Mrs. Yates Friday evening at 5 o'clock for a weiner roast.

The party will be a farewell tribute to Lt. and Mrs. N. G. Land, who will return to Texas following Lt. Land's release from active duty with the Air Force. Lt. and Mrs. Land are charter members of the church.

Wednesday evening prayer services during the month of June are being held in the E. W. Maloon home, 953 Mt. View Drive, Lafayette. They are scheduled for 7:30 p.m.

Carrie Brown Leaves Orinda After 18 Years

After living for 18 years in her Orinda home, Mrs. Carrie Brown, the clerk at the church for the last 10 years, has moved.

A County freeway scheduled to come through the site of her house at 164 Orinda Highway has forced Mrs. Brown to move to a new home in Pacific Grove, a Monterey Bay town where her son, Jessie Smith, is currently living with his family.

"If it wasn't for going to that beautiful place," Mrs. Brown told The Sun last week as she prepared to move, "I couldn't bear leaving.." Her new residence is located just off the beach at Pacific Grove.

Mrs. Brown first became prominent on the Orinda scene in 1923 when she bought two lots on one of the DeLaveaga's first tracts.

Nostalgia filled Mrs. Brown's remarks before she left Orinda behind her.

She reminisced about the "old days," before Orinda was transformed from a rural to a suburban community. She remembered that back in '23 she used to walk from her Berkeley home to her Orinda property with her husband and three children for a "nice country picnic."

Even as late as 1938 when she first moved here, she recalled, she would "be awakened each morning by the sounds of cowboys and their herds of cattle."

Orinda and Berkeley friends said goodby to her the past few weeks with several luncheons and parties given in her honor.

Relatives Visit Ed Amatrones

Ed Amatrone, manager of the Sprouse-Reitz store in Orinda, and Mrs. Amatrone recently entertained Mr. Amatrone's father and mother, Mr. andMrs. P. B. Amatrone, and his aunt, Evelyn Bliss, from Pennsylvania.

The Pennsylvanians and their hosts visited Reno, Santa Cruz and the Bay Area while Ed Amatrone was on vacation. They returned to the Ed Amatrone rome June 4.

Rezone of 300 Acres in Ygnacio Valley Favored

Rezoning to quarter acre lots of about 300 acres in the Ygnacio Valley area, east of Walnut Creek, and proximate to land recently annexed to Concord, was recommended by the County Planning Commission Tuesday.

The land is now mostly in half acres, but the Ygnacio Valley General Plan geenrally calls for quarter acres there, it was reported.

If eventually annexed to Concord, the rezoning would follow that city's designs for outlying subdivisions, according to staff member Russell Griffith.

The area is generally bounded by the Sacramento Northern Railroad on the east and south, Hookston Road and Southern Pacific Railroad on the west, and on the north by Monument Boulevard.

ALSO RECOMMENDED for rezoning to general commercial district is 15.9 acres of J. B. Bruzone, located at the southeast corner of the intersection of Monument Boulevard and Oak Grove Road, Ygnacio Valley area.

A request by Mac Jordan to rezone 4.75 acres of his land from transition residential agricultural to residetnial suburban was also considered. The area is north of Whitman Road, with Westmore land Tract on the east.

Don't throw trash from your car. It is now against the law to be a litterbug. Keep roads clean.

Summer School Sign-up to Open

Offering courses in primary and upper grade skills and courses of enrichment, the Orinda Union School District is offering its second annual summer school at the Pine Grove School, June 25 through July 27.

ACCORDING TO a school district bulletin, the summer school, sponsored by the Orinda School District Board of Trustees, will hold registration next Friday from 9 a.m. to noon and from 1 p.m. to 3 p.m. Registration will also be held on June 23 from 9 a.m. to noon. The bulletin adds that parents must accompany their children during registration.

All pupils in grade one to eight may enroll in summer classes. Primary pupils must enroll in at least two enrichment courses (art, language, nature study, etc.) while upper grade students must enroll in at least one enrichment course. All pupils must sign up for at least three courses, the announcement continued.

Application for enrollment may be made at any time previous to the opening of school.

THE TRUSTEES have disclosed that outstanding teachers from Orinda and surrounding school districts for the one hour classes will form the summer school staff.

Offered are the following courses:

Primary skill courses: Phonics, corrective reading, language, arithmetic.

Primary enrichment courses: Art, French, Spanish, nature study, physical education.

UPPER GRADE skill courses: Creative writing, writing skills, reading and study skills laboratory, general mathematics, corrective reading clinic, public speaking, typing.

Upper grade enrichment courses: Nature study in the high Sierras, social dancing, folk dancing.

Ether Explodes In Surgery at Kaiser Hospital

State and local fire inspectors are still investigating the cause of an explosion which injured an anesthetist at Kaiser Foundation Hospital Tuesday.

Mrs. Ellen Blankenship of Walnut Creek was administering anesthetic to 6-year-old Donald Duke of Vallejo when the ether-oxygen mixture exploded causing glass from the machine to fly about the operating room.

MRS. BLANKENSHIP was cut badly on one arm and suffered minor burns, but still managed to shut off the gas flow before leaving surgery.

The surgeon, Dr. Frederick Gottlieb, was shaken up but was not injured. The patient suffered no injury, according to hospital spokesmen.

Mrs. Blankenship was hospitalized overnight and released to her home on Wednesday.

The operation, which was well underway, was halted with no ill effects, according to the hospital staff.

THE WALNUT CREEK fire department was called when the explosion occurred, but only a momentary flash fire broke out, primarily from the labels burning on nearby bottles.

There were six people in the operating room at the time of the explosion.

Although the cause of the blast is still being investigated, hospital authorities said that the cause of the blast could have been a leak in one of the hoses or attachments of the anesthetic apparatus.

Sandstone Seekers Are Offered Help

Diablo Junior Museum members have volunteered to help out any person who wants to identify the sandstone and soapstone which is abundant in and about Walnut Creek, and is useful as sculpting material.

EAGLE SCOUTS now are these three members of Orinda Explorer Post 300, who received their Eagle badges at an Eagle Court of Honor June 6 at Orinda Community Church. Left to right are Michael J. Halloran, Robert C. Hall and Stephen E. Parks.

Three Explorers Receive Eagle Rank

An Eagle Court of Honor was held at 8 p.m. June 6 at Fellowship Hall of Orinda Community Church, conferring scouting's highest rank on three members of Orinda Explorer Scout Post 300.

The boys who became Eagle Scouts, all students at Acalanes High School, were Michael J. Halloran, son of Mr. and Mrs. James Halloran; Robert C. Hall, son of Mr. and Mrs. Will Hall, and Stephen E. Parks, son of Mr. and Mrs. Harry Parks.

The Court of Honor was opened by R. B. Moore, institutional representative for the Orinda Rotary Club, sponsor of the Post 300.

Victor Lindblad, scout executive of the Mt. Diablo Council, delivered the message.

Scout Advisor Gerry Cullen presented the badges.

Tom Hanan, senior crew leader, was also presented a plaque, for his outstanding leadership.

Acalanes Shines In Math Ratings

Led by three honorable mention students, Acalanes Union High School placed ninth in Northern California competition of the Mathematical Association of America, according to recently released contest results.

More than 2,300 students in 79 Northern Califofnia high schools participated in the mathematics test given simultaneously on May 3.

As the student with the highest individual score at Acalanes, Mark E. Jensen is the winner of a pin bearing a facsimlie of the seal of the Mathematical Association of America.

Other Acalanes award winners were Russell P. Mjolanes and James R. Bridges.

Aim of the contest, said the association press release, was to provide a means of identifying and recognizing high school students with mathematical ability, and also to engineer a keener interest in mathematics and to develop sound scholarship in the subject.

Sports Shown At Pine Grove

The Pine Grove School auditorium Tuesday night was the arena for 50 cheering, rolling, battling 7th and 8th grade Pine Grove youngsters who participated in the school's Sport Night.

Before well over 100 parents, teachers and friends, the students demonstrated many of the athletic and recreational skills acquired during their stay at Pine Grove.

The program, organized by Frank Isola, Robert Sherman and Jack Clark, began at 7 o'clock with two school cheers led by the cheerleaders. This was followed by a demonstration of synchronized calisthenics by all 50 participants, led by Isola.

Golf then took the spotlight as Kirk Long, Scotty McFarland, Lynne Harsha and Jan Miller displayed their knowledge of fundamentals and demonstrated the use of plastic golf balls.

Following a show of basketball drills, Tony Hudson, Bill Brailsford, Charles Abreham and Keith Thrillkill emerged victorious in the four wrestling matches.

Clark took the floor next as a square dance caller while the dancers went through a pair of difficult dance routines.

A series of individual tumbling stunts closed the program.

According to Sherman, the night was a "tremendous success, and both participants and observers are looking forward to next year's Sports Night."

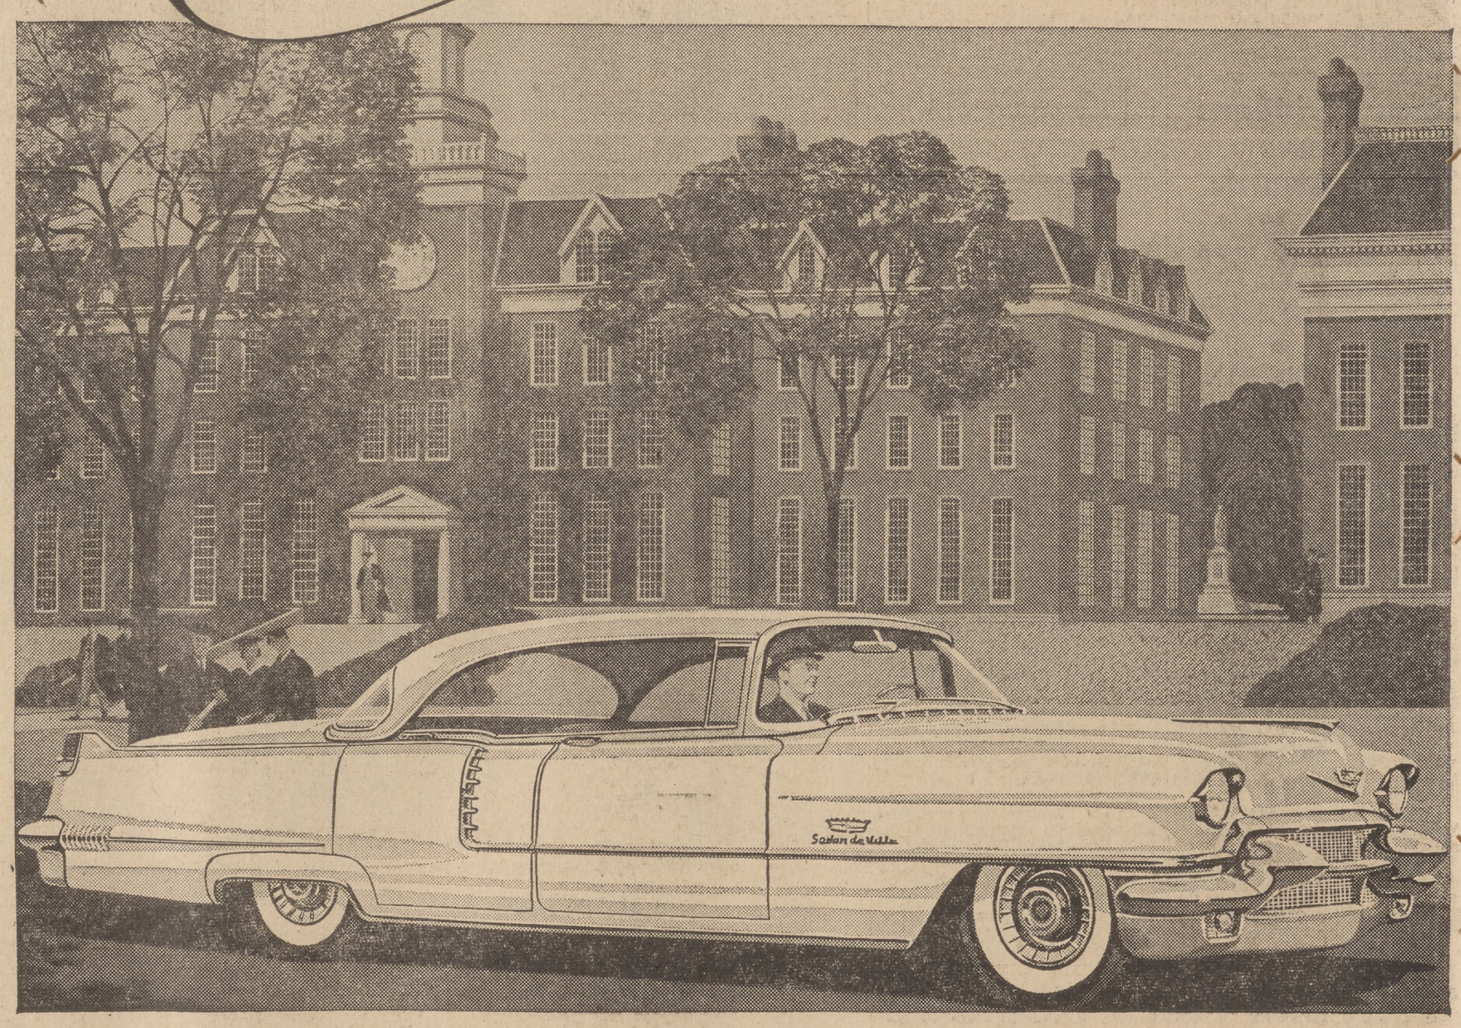
Cadillac



Just Graduated...To a Cadillac!

It's graduation time! And this happy gentleman—appropriately enough—has just gone through some important graduation exercises of his own.

It was just a few minutes ago, in fact, that he stood in his dealer's showroom and accepted the keys to his first Cadillac.

But even though he now holds his final degree, so to speak, in motor car ownership, his education in all the good things of motordom is only beginning.

Take performance, for instance. The car is so smooth and powerful, and so nimble and obedient that it automatically revises a man's standards of performance.

Consider comfort. Rolling along the broadest boulevard or taking the roughest bylane, the car is incredibly smooth and level in ride.

And think about pride and satisfaction. What an extraordinary feeling it is to sit in command of the "car of cars"—and find yourself the subject of admiring glances on every hand.

Have you ever considered how wonderful it would be to "graduate" to Cadillac?

Certainly, it's the perfect season for *enjoying* a new Cadillac. The days are bright and long . . . the roads are beautiful and inviting . . . and there are wonderful places to go and exciting things to do.

And certainly, it has never been *easier* to sign your name to the title. We are, happily, in a position to offer you prompt delivery on your favorite model—and we know you will be pleased to learn how *practical* Cadillac ownership has now become.

Why not pay us a visit soon—and spend an hour at the wheel?

It's a wonderful season and a wonderful car—and a wonderful opportunity to enjoy them both!

A Junior Museum? A Benefit to Youth!

There's a group of people in Contra Costa County who are working for the benefit of children, all children, in a way that is unusual and profitable, and it deserves the support and interest of all of us.

The group is the moving force behind the Junior Museum project, and it might be well to take a second look at what they are doing and how they are doing it.

First of all, what is a Junior Museum? It is a "place" where children of grade school age can come and "get acquainted" with their many friends of the field and forest, especially those species which abound near their own homes.

The aspect of the Junior Museum a non-profit organization which has probably been talked about most is the "lending library" where tame animals of all sizes and varieties are "loaned out" to children who take them home for two or three days.

Other aspects of the project include field trips, study of animals in their natural habitat, lectures and films, many of which are conducted with live specimens at the museum proper.

Here, in Contra Costa County, courses are being conducted during the summer at East Contra Costa Junior College and Walnut Creek school, but the courses were open, during registration, to children of all our communities.

Recently two public-spirited citizens, Phil Bancroft and Thomas Stone, donated parcels of land for recreation and Junior Museum purposes. They deserve the thanks of every person in the county.

The Junior Museum will serve all children. Not just the privileged or under privileged, but all alike, as long as they show an interest and want to learn and become friends with their animal and bird neighbors.

The site of the Junior Museum is located on the former Heather Farm and includes a natural lake which will be stocked with "animals" native to the area.

You will be hearing more about the Junior Museum and its work as the summer goes on. Learn about it, investigate its work. A fund drive is being contemplated to take place next Fall, and by that time we should all be acquainted with this deserving project so that we can support it.

So when the time comes, and it will with the present group of active people who are guiding its future, be prepared to support the Junior Museum.

What They Say . .

What to Do About Traffic

An inevitable result of booming population increases in Contra Costa and other East Bay counties has been traffic difficulties and entanglements that have staggered the eye and imagination, not to mention the patience of commuters who have to buck the tie-ups every day.

For several years the question of how the transportation dilemma might be solved has been asked, and proposed answers have been bombarding the populace.

ONE OF THE most recent, and most costly solutions was the proposal early this year for a nearly $2 billion Bay Area Rapid Transit System, a series of overhead and undersea rail and car routes that would facilitate transportation from San Francisco to nine East Bay counties.

But like all other proposals BARTS drew objectors and opponents.

Some said the cost ($18.50 per person per year for the next 34 years) was too heavy. Others voiced the opinion that overhead rail systems would leave uncomplimentary scars on local natural beauty.

While proponents and opponents of the system forward their causes, The Sun's roving reporter asked some of his neighbors, "What do you think of the proposals that have been made for a Bay Area Rapid Transit system?"

William C. Corbett, 19 La Campana, Orinda, thought that such a system is the only solution to the traffic melee.

"I'VE BEEN commuting to Oakland for 21 years," he told us, "and I've discovered that it just isn't possible that the highways can handle the situation."

Much the same opinion was expressed by Mrs. Thomas G. Cullen, 21 Las Vegas, Orinda. She said that she's very much in favor of the proposal because "it's the only answer to the transportation problem."

When reminded of the tremendous cost involved, Mrs. Cullen commented that "it's well worth the cost."

Not everyone, of course, has an immediate interest in the situation.

Mrs. Peter A. Jensen, 971 Second Street, Lafayette, stated that "Both my husband and I work right here in Lafayette, so we aren't really involved in the problem."

"I think the whole idea is wonderful," said Mrs. R. A. Lemon of 3749 Sundale Road, Lafayette. Although her husband generally travels when the traffic is not too heavy, she recognizes that the rapid transit system would "facilitate transportation for the suburbs."

SHE ALSO FEELS that the price would not be too high, quipping that "Everything is expensive these days, so this must be too."

at Miramonotoe ooHigh School, Mrs. Rix Marer of 121 Andrea Drive, Walnut Creek, at first thought that the expense involved was no ttoo important an item, but when told that it might cost about $18 per year for 34 years for all men, women and children in nine counties, exclaimed, "Well, it certainly is costly!"

It's a big problem, and so will probably need big remedial measures she added.

"My husband commutes to Richmond every day. He doesn't mind the driving, but he uses two hours each day on the road. We certainly need a new system, and the transit seems to be the solution," contributed Mrs. Andrew Scott of 319 Kathleen Drive, Pleasant Hill.

The main thing is getting a new passage through the hills, other than the tunnel, is the opinion of Mrs. A. G. Greenman of 1619 Sunnyvale Avenue, Walnut Creek.

"It's expensive, but California is developing fast, and we've got to hold our own, to keep up," she said. Mr. Greenman works at Mare Island, and commutes each day.

Mrs. W. A. DeProse of 2811 Creston Road, Pleasant Hill is in daily contact with the travel problem, for she commutes to work with her husband each day. He is manager of an ice cream concern in Oakland, and she also works in Oakland.

Famous Artists To Display Work At Art Exhibit

Works of two well-known Bay Area artists will be featured on Guest Day, a special event being planned by the Board of Directors and Board of Trustees of the Valley Art Center.

Paintings by San Francisco artist Antonio Sotomayor and works of Berkeley sculptress Florence Swift will be on display from 4 to 7 p.m. Saturday, June 30, at the home of Dr. and Mrs. John Ellis, Springhill Road, Lafayette.

General chairman in charge of arrangements for Guest Day is J. Gordon Ainsworth of Orinda. Assisting him will be Valley Art Center president Michael Czaja, exhibition chairman; Mrs. Rawlings Simon, invitations; Mr. and Mrs. Robert S. Holmes, refreshments; and Richard David and Phillip Merrill, transportation.

Serving as hostesses for the event will be Mesdames Arthur Wagstaff, chairman; Frederick Confer, Edward Larmer, Peter Howard, DeWitt Krueger, Michael Czaja, John Enright, Robert Clough, Edmund Barnett, Stanley Bush, Leslie Scharmer, Richard Ward, E. M. Jacobsen, and Pat Moran.

Valley Art Center members will be admitted free. Admittance for non-members is $1.00.

Area Residents Win Citizenship

A Lafayette man, a Walnut Creek man and two Walnut Creek women won their United States citizenships, and received papers innaturalization ceremonies held last Friday in Superior Court.

They were Ray C. Wertz of 1503 Huston Road, Lafayette, Harry Freeman of 1819 Newell Avenue, Walnut Creek, Gwendoline M. Boucher of 203 Sierra Drive, and Margaret E. Strachan of 1809 Oak Park Boulevard.

Letters to The Editor

Dear Editor:

A rock quarry is to be opened in the hills above our very heads. A. J. McWosker, owner of Industrial Freeway Properties, Inc., has filed an application to open a quarry on a 320-acre parcel of land located just northwest of the Orinda PG&E substation and adjacent to Roundtop Region a l Park.

This quarry will be within a few thousand feet of homes in south Orinda and Moraga. It will be another permanent eyesore, hazard, and a source of continual dust and noise from grinding and blasting. It is a crime to destroy the natural beaty of our hills, and bring untold noise, traffic and dust into our own backyards.

The County Planning Commission and the Board of Supervisors who have jurisdiction over this quarry applcation must be informed of the feelings of the people in order that they will turn down this quarry application.

All homeowners should immediately write to the Count Planning Commission and to the Board of Supervisors, both in Martinez, and voice their protest. The public hearing is slated for June 19 at 10 a.m. in Martinez and personal appearances will be helpful.

Name withheld on request.

Under The Sun

By Herman Silverman

A pocketful of notes . . .

Snoopy, the office cat, will probably needle me after reading this column, because I'm going to clear my pockets of a lot of notes.

Incidentally, if you've wonlered where Snoopy has been, let me explain. I now lock the office door when I write this weekly saga, so Snoopy has a difficult time slipping in. This week I succeeded again. And here is a pocketful of notes:

With vacation-time here, let's take an inventory of our children's swimming ability. The answer, of course, is lessons—to learn to swim or to improve their technique. There are numerous excellent private swimming classes and the splendid Red Cross programs.

And don't forget the community summer recreation programs for the youngsters. When Junior complains, "Mommy, what can I do now," the answer can be planned activities conducted by the community. The Sun carries news of these programs each week.

Batter up, boys!

Mark, our oldest, is completely nutty about baseball. And here is one parent most grateful to all the wonderful people responsible for the junior baseball programs operating in the area. And I'm also grateful to the business firms who are carrying most of the financial burden by providing uniforms and equipment.

When we have talked about "shopping at home," The Sun always stresses the direct benefits to be derived by the consumer. "Competitive prices, good merchandise, savings in gas, tires, etc." Almost never does The Sun mention that your local merchant pays additional taxes and supports the community in numerous ways and, therefore, deserves consideration over stores in Oakland or San Francisco.

This junior ball program brought this to mind. Stores on the other side of the Tunnel did not buy one uniform or sponsor one team for your boy and mine. You'll find most of the sponsoring stores listed on our sports page. Incidentally, take the kids and drop out to one of the local diamonds almost any evening. You'll enjoy it.

And don't forget the grown up softball league at Walnut Creek City Park. They play darn good ball and it's an evening's entertainment.

Turn off the commercial

Well, I've been talking about things for the kids, now let Dr. Silverman give a medical note for Pop or Mom. Are you very nervous? Does your business or other activities place you under great strain? If so, run—not walk—to your doctor and ask him for a prescription for some of those wonderful pills.

Seriously, some of us on The Sun have just started taking Equinal—which is the same as Milltown, only a different brand name. They are "equalizers" or "tranquilizers"—and they really are effective. I have larned they are different than "happy pills." Anyhoo, ask your doc.

FBI is with us

Sign of progress: The Federal Bureau of Investigation recently opened a new office for Central and Eastern Contra Costa County. Three resident agents are now working out of 610 Las Juntas Street, Martinez. Phone Martinez 386. The agents are not there all the time, so call the SF office if no answer at Martinez—KLondike 2-2155.

Let's finish with a humorous note: The editor of the Sentinel-Ledger, Ocean City, New Jersey, is seriously campaigning for the establishment of a new community organization: "Society for the Abolition of Societies in Ocean City."

2 Red Cross Swim Courses Scheduled This Summer

The Mt. Diablo Chapter of the American Red Cross has scheduled the following swimming and life saving classes to be held at the Acalanes High School pool.

First Session: July 10 to July 21, for children living in the Lafayette school district; second session: July 24 to August 3, for children living the following school districts: Orinda, San Ramon, Alamo, Danville, Canyon, Moraga, and those children in the Pleasant Hill area whose homes are South of Boyd Road and Withers, and east of Pleasant Hill.

Youth Baseball Teams Face Busy Week

Major, Minor Leagues Will Play Nightly

The Lafayette Youth Baseball Major Leaguers have a busy week ahead of them, as all clubs swing into action with a game on tap at Mattson Field at Acalanes High each weekday night at 6:30.

In the Minor League it's the same story, with only the scene of action changed, as all games will be played at Hageman Field on the Lafayette School grounds. Starting time is 6:30 p.m.

MAJOR LEAGUE schedule for the week is as follows:

Tonight — Lincoln Development Company vs Sports and Games.

Monday — Lafayette Rental vs Kings.

Tuesday — Lafayette Furniture vs Sports and Games.

Wednesday — Rett-White vs. Lincoln Development.

Thursday — Lafayette Pharmacy vs. Jacuzzi.

Next Friday — Gaston's vs. Sun Valley Lumber.

IN THE MINOR League it's as follows:

Tonight—Lincoln Development vs. Jacuzzi.

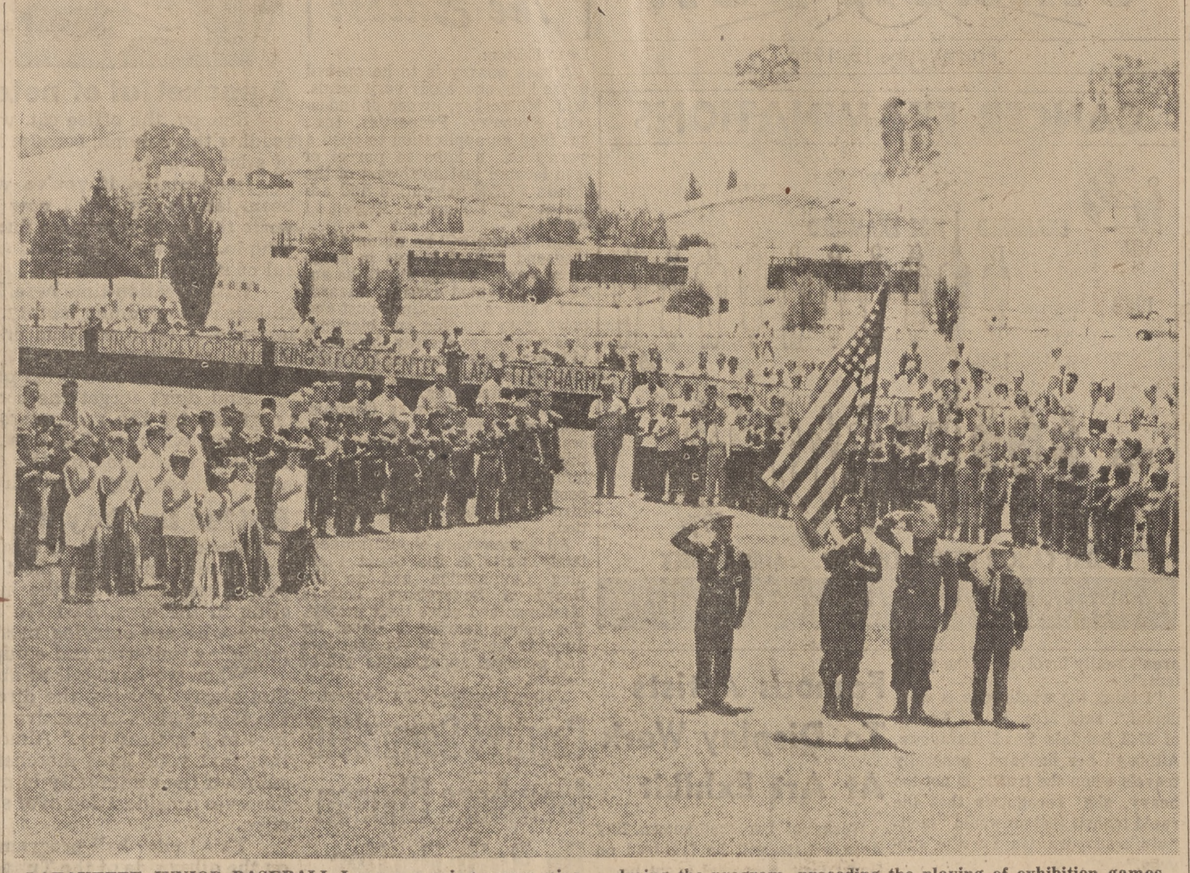
Monday — Rett-White vs. Lafayette Pharmacy.

Tuesday — Jacuzzi vs. Sun Valley Lumber.

Wednesday — Kings vs. Lafayette Furniture.

Thursday — Lincoln Development vs. Gaston's.

Next Friday — Sports and Games vs. Lafayette Rental.



LAFAYETTE JUNIOR BASEBALL League opening ceremonies at the new Mattson Field at Acalanes High School were attended by some 500 last Sunday. This view shows an impressive moment during the program, preceding the playing of exhibition games. —Sun photo by Mattson

Lumber Majors Down Rett-White

In the Lafayette Youth Baseball Major League exhibition game between Rett-White Motors and Sun Valley Lumber Company Sunday, Rett-White rode high in the top of the first inning, making it three runs on three hits — but Sun Valley Lumber won the game 7-3.

It looked like Rett-White would run away with the game after Gary Miller struck out, Kritcher flew out to Jim Mossman at short, Jerry Butler walked followed up by successive singles by Hays, Larry Russel and Ingham, scoring Butler, Hays and Russel.

In the bottom of the first the Sun Valley Lumber boys didn't exactly come to bat with their hands behind them. The first batter, John Hearn, walked, followed by home runs by Dick Wiseman and Paul Colin.

HAYS NEXT walked Lou Pegovich. Joe Pangburn was out, catcher to first, for the first out. Next Steve Harper sacrificed Pegovich to second, followed by Jim Mossman, who struck out, to make the third out, and at the end of the first inning the score was tied at 3-all.

The top of the second frame proved to be distastrous for the Rett-White ball club, as the side was retired one-two-three.

In the bottom of the second frame it was a different story, however, as the Sun Valley boys were again knocking the door of Hays. They rallied for two runs as John Hearn walked to open the inning, trailed by Dick Wiseman, who singled, and Lou Pegovich, who drove both Hearn and Wiseman across.

IN THE TOP of the third and final frame, Paul Colin relieved Bob Pangburn on the mound for the Sun Valley boys, who struck out Hays, Russel and Ingham.

In the bottom of the third the Lumber boys of Sun Valley pounded out two hits — by Bob Southworth, who replaced Godstead in left field in the top of the frame, and Paul Colin, who drove in John Hearn from third.

Sun Valley Lumber had six hits and one error. Rett-White had three hits and one error.

Top hitters were Dick Wiseman and Paul Colin

500 Fans See Launching Of Youth Baseball League

Last Sunday marked a red letter event for Youth Baseball in Lafayette when a colorful opening day ceremony was held at Acalanes High School.

An estimated crowd of better than 500, plus two hundred and forty players in uniform, complete with color guard and pompom girls were on hand for the official opening of the new field just completed for youth baseball.

Mel Alamano on the public address system opened the program by explaining the development of Youth Baseball in the Lafayette area, following a rendition of the Star Spangled Banner.

Al Nelson, Major League commissioner, was sent to the youth diamond mound to act as honorary catcher for the first pitch.

Arthur "Red" Gillham, who has been a prominent figure in local youth baseball, was called upon to act as honorary batter.

Manzanita Wilson, secretary of the league, was called to act as umpire.

Gordon McNulty, commissioner of the minor league, was given recognition for his many hours of work.

At this point Alamano dedicated the Acalanes Youth field to Coach Erwin Mattson of Acalanes, who has been greatly interested in baseball for kids and helped get the new park built. At the same time the Minor League park, built at Lafayette School, was named Jack Hageman Field, as Hageman has been the prime force in its construction.

As a matter of record, "Red" Gelham hit the first pitch but it failed to clear the outfield fence, 175 feet away. In fact, it was a lazy grounder to second base.

The program was completed when Mrs. Ruth Wallis, Walnut Creek recreation director, and Elmo Guilleri, Walnut Creek park commissioner, drew names for a three inning exhibition game between two Major and two Minor clubs.

The games followed, and the sun-soaked fans sitting through beautiful baseball weather thoroughly enjoyed the play, which included two home runs over the fence.

Play on both fields will continue throughout the summer, with twilight games starting at 6:30 p.m. on tap each week day.

'Big' Cars to Run Tomorrow At Speedway

The "big" cars will run tomorrow night at Contra Costa Speedway near Walnut Creek.

Promoter Gene Marsh announced that the Indianapolis-type racers will compete in a 50-lap main event, with six other races also scheduled.

Contracts for the program were signed with Frank Blado of Concord, business manager of the American Racing Association. The show will include a trophy dash, four heat races, and a 15-lap semi-main.

Blado expects a turnout of more than 40 cars, with a good-sized contingent due from the Portland area.

Entries already on file include Don Rocci, Hayward, Ford V-8; Mike McGreevy, Oakland, Chevrolet, and Ernie Miller, Concord, Ford V-8. Miller is current points leader in ARA standings.

This will mark the first test of the Indianapolis-type cars on the new Contra Costa track. The one-quarter mile track is now banked and surfaced with clay.

Youth Baseball Opens with 1-0 Win over Gaston

The Lafayette Youth Baseball League Park at Acalanes (Mattson Field) was dedicated Sunday and a pair of exhibition games were on tap, but play in a serious vein opened Monday evening when the Lafayette Furniture nine edged Gaston's in a tight major-loop ball game with a final 1-0 score.

Gary Bard on the mound for the winners threw a no-hit no-run game, striking out 14 and walking nine.

His opponent on the hill, Frenchy Toll, was equally impressive as he gave up but one hit and a bunt by John Zonotti, and over the six-inning route whiffed 10 and issued but two bases on balls.

Zonotti scored the game's only run in the second frame.

The game was brought to a climax in the final frame when Baird issued an intentional walk to Dinkel, to load the bases, and then retired the side by striking out the next batter.

Kelly Ballplayers Beat Concord A's; Lose to Danville

The Kellys Contra Costa Baseball team beat the Concord Flying "A's" Saturday, 5-2, then turned around and lost to the Danville "Stars," 5-4, Sunday.

Concord took the lead Saturday when Billy Stone hit a single, then stole second base and went to third on an error. Stone scored when Buddy Peebles hit a single and scored on an error.

In Kellys' fourth inning, Dick Dodge scored. In the fifth, Marty Dahl scored. In the seventh, Larry Drummond, Bob Staley, Eric Nankivell, scored.

On Sunday, Danville took the lead when Eric Smith scored in the first inning. In Danville's third inning, Jeff Prouser, Ken Gertsen, and Gary Foster scored. In the tighth inning, Bob Baker scored.

In Kellys' half of the first inning, Eric Nankivell, Dick Dodge, scored. In the sixth inning, Bob Gomez and Terry Sieberlich scored.

Devils Select Opponent Team

Carl Anaclerio, coach of the Mt. Diablo horsehide nine, has announced that his players have selected the following hiders from other schools on the Devil's All-opponent Team:

Pitchers—Ray Johansen, Pleasant Hill; Mike Barrett, Acalanes; Rich Hernandez, Pittsburg.

Catchers—Leon Lewis, Pleasant Hill; Ken Smith, Pittsburg.

First base—Jim Dinkel,Acalanes.

Second base—Bill Nivon, Pleasant Hill.

Third base—Rich Markstein, Acalanes.

Shortstop—Emil Lozeno, Pittsburg.

Outfield—Bob Fields, Pittsburg; Jim McMillin, Pleasant Hill; Randy Autentico, Antioch.

Gaston's Wins In 'Minor' Play

Tuesday night on Hageman Field at Lafayette School, Gaston's Cleaners defeated Lafayette Pharmacy, 7-6 in a "minor loop" play in the Lafayette Youth Baseball League.

Vic Shellenberg, Gaston's pitcher, put himself into hot water in the second frame when he walked Mike Celestri, Jim Nelmes and George La Pain. Bill Eigaird hammered out a hit scoring the trio ahead of him, giving the Pharmacy nine a total of six runs which they never increased after this outburst.

Gaston's runs came off of free passes in the top of the first inning. There were six walks, resulting in seven runs on only one hit. Charles Della accounted for Gaston's blast.

On Monday night in the Minor League curtain-raiser, Al Blazick hit and pitched Lafayette Furniture to a 5-4 victory over Lafayette Rental and Hardware. He hit a triple and a home run in two tmes at bat.

DeVillers Gets Rating as Dons' Top Athlete

Acalanes students honored their spring sports athletes recently at an award assembly. "Butch" De Villers was named "Outstanding All-Around Athlete of the Year."

The Don championship squads in golf, swimming, baseball and tennis were also feted as Acalanes Principal Stanley Walgren noted that Don spring squads took four out of the five county titles for which Acalanes participated.

RESTLESS KIDS

It's natural for youngsters to get restless when they're riding in a car on a long trip. Stop every once in awhile and let them romp for a minute. It will make them feel better and speed the trip for everyone.

Champion Tourney Held at Diablo Country Club

The Northern California two man best ball team championship was decided last weekend at the Mt. Diablo County Club Country Club. Held in conjunction with the second anual handicap invitational, the competition spotlighted Bob Unthank of Alameda and Morgan Barofsky of Harding.

WITH A NET 64 to a 63 scored Saturday, and a total of 127, the duo were 15 under par for 36 holes on a net basis, but took the title by just a single stroke.

Second place went to Ed Castagnetto, former Northern California amateur champ, and George Studinger, Northern California senior champion. Castagnetto scored 68, three under par, and Studinger 60 for a total of 128.

Unthank and Barofsky also won in the gross division, without handicap, with 65 and 66, total 131, adding golf bags as awards to golf clubs won in the main event.

MORE THAN 190 golfers, local and many champions from through the northeast country, competed in the best ball team competition first suggested as a companion to the handicap turney by Diablo Committee member Bill Higgins.

Winners in the best ball division, for teams with handicaps of 10 or more were Dr. Joe Sweet, Oakland dentist, and Ed Van Kleeck Jr. with a net 62, and an opening 64 for a 126 total.

Kings Scores 3-0 Shutout In Softball

In Walnut Creek Softball play, Kings strut out Middleton-March, 3-0.

The game, played June 6, found Kings' hurler Ed Vick throwing a one-hitter to notch the win. Mike Mecurio got the lone bingle, a single in the third frame.

KINGS SCORED their runs in the first, when John Nourse hit a homerun after two were down, in the second when Jim Overby hit a homer as leadoff batter, and in the third, when Vick singled, advanced on a fielder's choice and came home on an error.

In the hit column Kings had five, with no one getting more than one safe blow.

LAST FRIDAY Rheem's edged Contra Costa County Sand and Gravel, 2-1.

Jack Ogden, hurling for Rheem's, issued seven walks and struck out six, while Will Gausman, throwing for the losers, whiffed seven and walked two.

RHEEM'S TOOK a 1-0 lead in the second when Bob Wierick doubled and scored, and made it 2-0 when John Witherwax doubled and scored on an error in the fifth.

It was 2-1 when Bob Marhidelli tallied for C.C.C. in the sixth after doubling.

Ken Geary, with a 2 for 3, both singles, paced the C.C.C. club stickers, while Wierick had 3 for 3 for the winners as he hit two singles and a double.

SCHEDULE for the coming week in league play is as follows:

Today — Rheem vs. Serpa at Walnut Creek; Hoffman vs. M. & M. at Martinez.

Tuesday — Rheem vs. Kings at Walnut Creek; M & M vs. Serpa at Martinez.

Wednesday — C.C.C. vs. Serpa at Walnut Creek.

Thursday — M & M vs. Kings at Martinez; Walnut Greek Girls at Walnut Creek.

Next Friday — Serpa in a practice game at Martinez.

Maple Towne Wins Close Game From Pereira Exc.

By MEL ALAMANO

The fifth week of league play is now over in the Walnut Creek Recreation Baseball Program. There were some close league games and plenty of slugging by the hitters. Best game of the week was Al Pereira Excavating versus Maple Towne.

Maple Towne won in extra innings 8-6 in a real thriller. Anthony Guichard of Al Pereira was the losing pitcher and it was a heartbreaker for him.

After fanning 17 batters, making or taking part in 19 out of 21 put-outs, hitting a long home run and a single, you can see where it was a tough one to lose. Anthony is a real credit to our league, never complaining and always ready to pat a team-mate on the back when a player makes an error or fans when a hit might win the ball game.

His brother Rog is of the same stock. In fact his dad and all eight of the Guichards are a terrific bunch. More parents and boys of this caliber would make all the work in this program a real pleasure.

Sunday, June 24, at 1 p.m. all teams will be at City Park to open the summer session of the leagues. All parents and friends should be there to honor the sponsors and teams.

The new schedule for all leagues will be announced this week. Games will be held for the Eastern and Western Leagues at Las Lomas Field and City Park.

TEAMS WILL ROTATE on Saturday games and no league games will be played on Sundays.

MORE SPORTS ON PAGE 16

Any out of town teams can be brought in for games on Sundays or postponed games can be played if needed.

Watch and follow the new schedules.

I had the pleasure of acting as master of ceremonies last Sunday at the opening of the Lafayette Youth Baseball Leagues. A large crowd was on hand and it was a very nice affair. Mattson Field was dedicated and named after Erwin Mattson who really built a beautiful field for the kids.

Jack Hageman Field was also dedicated but Jack was working on the field and missed his praise at the opening. He has worked hard to make another diamond for the minor leaguers.

The Mothers Baseball Club is starting a campaign to raise funds for Walnut Creek's league. We'll have a list of the fine and helpful people next week.

Junior Women to Install

Mrs. J. C. McGeehon, past president of the Senior Women's Club, installed new Junior Womens Club officers June 5 at the Club House on Lincoln Ave.

Mrs. Charles Pratt Jr., outgoing president, first called for the Annual Chairman's Reports, a report on the Junior Women's state convention and the Finance Committee's report on the Mardi Gras Ball held on June 2.

The club voted to donate $200 to the main philanthropy, Cystic Fibrosis. This brought the total donations to $700 for the year, plus other financial aid and many service hours.

Mrs. McGeehon installed Mesdames John Messer, president; J. R. Fontenrose, first vice president; Harry Hemstalk, second vice president; Howard Parsons, recording secretary; Reed Bells, corresponding secretary; Leonard Hopkins, treasurer; Gus Teicheira, parliamentarian and William Hull Jr., auditor.

Mrs. Howard Adams and Mrs. Claude B. Smith will continue to be the senior directors this year.

Mrs. Messer named the committee chairmen for the coming year. As the last item of business before adjourning for the summer, the club voted to have a swim and Bar-b-q dinner in July at the home of Mr. and Mrs. Harry Hemstalk. This annual affair will be for the members and their husbands.

Couple Sets July 7 for Wedding

Miss Dorothy Arneman and John W. Greenlaw will take the "big step" and become one on July 7, following announcement of their engagement recently at a dinner party given at the Claremont Hotel by the benedict's mother Mrs. Thomas W. Scott, Reliez Valley Road, Lafayette.

The wedding will take place in Fresno. The bride-to-be, the daughter of Mrs. E. J. Arneman and the late Mr. Arneman, is a teacher in San Mateo. She was graduated from Fresno State College where she was president of Delta Kappa Sorority.

Greenlaw is the son of Mrs. Scott and Dr. Wallace W. Greenlaw of Orinda. He is an ensign in the Naval Reserve and is attending the School of Dentistry of the College of Physicians and Surgeons in San Francisco. His fiancee is a member of the San Mateo Branch of the American Asociation of University Women and was listed in Who's Who in American Universities and Colleges.

Guests at the Hotel Claremont party invited to meet the honoree were Mesdames E. J. Arneman, A. Edward Dart, Charles Stevenson, Edwin Bullard, Lorenzo Buckley, Maude Machen, Carl Merner, Paul Stegman, Sprignel Wiley, Edward Rotticci, Red Sommers, Eugene Kinney, Wallace Greenlaw and the Misses Diane Gregg, Virginia Webber, Barbara Shankey, Frances Murphy, Nancy High and Gene Pkop.

LOUANN PEARSON, daughter of Mr. and Mrs. Paul L. Pearson of Beechwood Drive, Lafayette, will be married August 11 to Albert Evans Jr., son of Mr. and Mrs. Albert Evans of Rolling Hills Ranch, Clayton.

Sorority Group Preps for Fall

The East Contra Costa Panhellenic Association met recently in the home of Mrs. George Dibble, 3608 Lincoln Way, Lafayette, to discuss preparations for fall rushing.

It was revealed at the meeting that 92 per cent of all girls who registered for rushing at the University of California last year pledged a house.

Attending the meeting were Mesdames Don Woodcock, Gamma Phi Beta; Gordon Hughes and John W. Dorr, Alpha Xi Delta; Maury Hall, Tri Delt; Aldon DeLancey, Alpha Gamma Delta; G. Bruce Montgomery, Delta Gamma; Hans R. Beetz, Delta Zeta.

E. S. Anderson, Alpha Delta Pi; George K. Lemke, Kappa Kappa Gamma; Wayne Bentley, Alpha Chi Omega; Robert E. Stevens and Frank L. Dees, Kappa Alpha Theta; Donald Krotz, Phi Mu; and George Dibble, Phi Beta Phi.

Folk Dancers Feature Father In Happy Event

Fathers Day was brought into focus at the Acalanes Folk Dancer's party in Danville, Saturday night. "It's Father who Pays" was the theme.

Posters with appropriate sayings decorated the walls and the programs had "Dad's" picture playing golf on the covers. The table was decorated with all-day suckers which were "Sugar Daddies."

Callers for the square dances were Irene McNichols and Frank EnEarl of Walnut Creek, and Taylor Holt of Martinez.

The committee for the dance consisted of Kay and Lin Clark, Virginia and Perry Brandes and Marle and Idar Gogstad, all of Lafayette.

The Gogstads were unable to attend so Dorothy and Stan Baker of Danville replaced them on the committee and George and Karen Carlisle of Pleasant Hill helping with the serving of refreshments.

A short business meeting followed the dancing and refreshments and was presided over by Irene McNicols, vice president in the absence of President Dick Banwell.

Summer Begins Tomorrow Night For Orinda Jrs.

A dinner-dance at the Montclair Women's Club tomorrow night will start off a series of summer actiivties for the Orinda Jr. Women's Club, anounces club president Marge Scarich.

The affair is slated to begin promptly at 7 p.m.

Dinner will be provided by Morey's catering service and orchestra music will be enhanced by the Hawaiian theme decorations. Arrangements have been made by the club's socal committee, headed by Mrs. Beau Guinther.

Summer plans for members and prospective members include a family picnic July 22 at Tilden Park and an August 20 swimming party and buffet dinner at the home of Mrs. Vernon Louis.

Club members will perform in a water ballet at the swim party.

Robey-Tresidder Married in PH

The altar of the Walnut Creek Methodist Church was banked with white gladiolas, and stock for the candlelight wedding which united Betty Leanore Robey and Clifford N. Tresidder.

The bride, daughter of Mr. and Mrs. Jay L. Robey of Walnut Creek was escorted down the aisle by her father. Her gown was waltz length of white lace with a round neck and short sleeves, and a pleated taffeta insert was placed at the mdriff and gathered to a large flat bow in the back of the dress.

She wore a small white crown which held her veil of bridal illusion and she carried a pearl covered white Bible topped by a white orchid and streamers of white bouvardia.

She was attended by Mrs. Robert Betoni (the former Doris Reuter) of Concord who was her matron of honor. She wore a pale rose tulle waltz length dress with matching accessories and carried an old fashioned bouquet of pink carnations.

Robert Tresidder, brother of the groom was the best man. Clifford is the son of Mrs. Bernard Sweeney of Lafayette.

Mrs. Robey selected a powder blue lace sheath dress with matching duster and her accessories were also of powder blue and she wore white carnations.

The bridegroom's mother chose a pink lace two piece dress with matching accessories and also wore a corsage of carnations.

A family reception was held following the ceremony at the home of the bride. Attending the affair were Mr. and Mrs. F. E. Robey, Mr. and Mrs. Fred Vandermeer, Mr. and Mrs. F. A. Robey, Mr. and Mrs. J. Kackley, Mr. and Mrs. Carl Deisenroth, Mr. and Mrs. B. Jensen, Mr. and Mrs. B. Betoni, Mr. and Mrs. W. Hopp, and Mrs. Sweeney, stepgrandmother of the bride-groom.

The main reception for the couple will be held on June 24 at the El Nido in Lafayette.

The couple left on a two weeks honeymoon for British Columbia and upon their return will make their home in Walnut Creek.

The bride chose a brown wool sheath ensemble with matching acessories as her going away outfit.

Luncheon, Card Party Planned At Morris Home

The home of Mr. and Mrs. H. L. Morris, 1584 Webb Lane, Walnut Creek, will provide an outdoor setting for a luncheon and card party next Friday at 12:30 p.m.

Tickets for the luncheon, which is sponsored by the Woman's Auxiliary of St. Paul's Episcopal Church, are $1.50 and may be obtained from any Guild member.

For reservations or further information phone Mrs. J. Gardner, YE 4-3753, or Mrs. R. Newhouse, AT 4-4206, or Mrs. P. DeVries, MU 2-2732.

Lunch Will Have 'Cherry' Theme

Sun umbrellas will be garlanded with flowers and the tables will be draped with pastel-hued cloths at the "cherry-pink" luncheon to be given by Mrs. Timothy Colvin on the terraces of her Orinda home on Tuesday afternoon.

Two European travelers are expected back in time for the event, Mrs. John Gompertz and Mrs. Lawrence Fletcher.

The guest list also will include the Mesdames Stuart Hawley, Oliver Hamlin, Stephen Jensen, Chauncey Pond, Clay Sorrick, Eugene Shurtleff, Marshall Shapiro, Eugene Trefethen and Frank Harry Smith.

Don Schmidt, Bride, Wed In Berkeley

Nuptial vows exchanged by Miss Virginia Diane Paxton and Donald Wayne Schmidt recently at St. Clement's Episcopal Church in Berkeley were augmented by full blown pink gladioli with sprigs of blue delphinium and clusters of white stock and fern which decorated the church.

The new Mrs. Schmidt is the daughter of the W. R. Paxtons of Berkeley, and her husband is a son of Mr. and Mrs. A. A. Schmidt, 176 Lombardy Lane, Orinda.

For the wedding, Diane, as the bride is called, was dressed in a waltz length gown of white lace, tulle and taffeta, made with a sweetheart neckline and a full skirt.

Given in marriage by her father, Diane was attended by Edy Nicolaisen of Berkeley as her maid of honor, and Joan Maracci, Robin Paxton and Sally Wishart.

The attendants were in waltz length dresses of dotted Swiss, and had bouquets and headpieces of pink carnations and blue forget-me-nots.

Mrs. Paxton was in beige lace over taffeta, the dress made sheath style and worn with matching accessories, while Mrs. Schmidt wore French blue lace over taffeta, the skirt slim in front with back fullness, and also had matching accessories.

Dick Gury of Berkeley was best man, and ushers were Bill Carlson of Lafayette, Art Taber and Ron Wibberley.

After a reception at the Orinda home of the bride-groom's parents, the newlyweds left for a honeymoon in Santa Barbara. They have since returned to make their home in Berkeley.

Diane was graduated from the University of California last year and is a member of Phi Mu sorority. Her husband is an undergraduate at Armstrong College, where his fraternity is Kappa Sigma Kappa.

Jewish Group Planning Gala Dinner Dance

The Contra Costa Jewsh Community Center will hold its fourth annual dinner dance June 23 at the center building, Mt. Diablo Boulevard, Lafayette.

Louis Rapport, dance chairman, and his committee are laying plans to make this a gala and memorable occassion.

New AAUW Officers to Be Installed

New officers of the Walnut Creek branch, American Association of University Women, will be installed Wednesday night at 7 in the Walnut Creek Women's Club.

Mrs. John H. Gillen is president. Her aides are Vice President Mrs. John Strong, Second Vice President Mrs. John Sutherland, Treasurer Mrs. William Rice, Recording Secretary Mrs. Linwood Clark and Corresponding Secretary Mrs. John Stephens.

Installing officer at the banquet will be Mrs. A. H. Albeitz, state membership chairman and a member of the Concord branch.

Dinner chairman is Mrs. E. C. Krumvieda, and caterer is Mrs. Striplin.

"The Talbot Story," concerning the founding of AAUW, will be presented by the Drama Section.

Next Friday, the Walnut Creek Branch square dancers will meet at 8 p.m., in the Walnut Creek Grammer School, and afterwards will go to the home of Mrs. I. Guntz, 18 Panoramic Way, Walnut Creek.

Mrs. C. H. Bryant will be cohostess.

Locals Attend Alpha Gamma Delta Workshop

Eleven members of the Diablo Valley Alumnae of Alpha Gamma Delta attended the District Workshop held at the Sorority house in Berkeley, June 10, 11, and 12.

Lulu Good Vogelsang, Grand President of Alpha Gamma Delta, was present along with the Province officers. The three days were filled with programs aimed at helping both the undergraduates and alumnae.

Among those attending from the Diablo Valley Alumnae were the Mesdames: Gerald V. Ball, L. Jack Block, H. E. Dahle, Aldon DeLancey, J. J. Fuerst, Robert F. Greenleaf.

Richard Hansen, E. W. Jacobson, Robert Kirkpatrick, Frederick F. Warnke, and William T. Worden.

The next meeting of the alumnae group will be held next Monday at the home of Mrs. W. K. Helsel, 139 Comino Amigo, Danville. Co-hostesses will be Mrs. David Armstrong and Mrs. A. F. Peck.

NEWLYWEDS are Robert William Fox and the former Ellen De Anne Johnston, who were married June 1 at St. Stephen's Episcopal Church, Orinda. The bride is the daughter of Mr. and Mrs. R. W. Johnston of 16 Sleepy Hollow Lane, Orinda.

Graduation march . . . original comp.

TO ALL THE GRADS, THEIR MOTHERS AND DADS, Orinda's Congratulations! It's been SOME week, shopping reached a peak, so did chauffeuring and celebrations!

(The Pine Grove Class is deep in clover . . . Brace up, parents, it's ALMOST over!)

All the world loves a graduate! We, for one, do too. We herewith send a little verse, dedicated, dear grad, to you!

SO IT'S HEIGH, HEIGH, HO for Highschool . . . for Richard Haefele, Frances Stout! For Susan Henry, Susan Schwatka, Barbara Smith and Paul Teachout! Up the ladder another rung . . . for Robert Newman, Sally Young. . . . Ronald Kaayman, Gail Dishong!

Miramonte's Halls are waiting . . . for Deborah Smith, Bill Gilmore, Joe Cayting! Pine Grove's bells for the last time have run, (rang?) . . . for Allen Geissler, Luzanne Lang! Frame a diploma for John Coates, Francine Survis . . . for Don Morton, Judith Nicolaysen! (Now don't be nervous!)

FROM THE UNDERGRADS, a great big cheeriam . . . for Mike Angelo, Jane Lowman, Jeff Schwark and Bob Merriam!

Let Miss Sabelman's chorus resoundly sing 'em . . . for Sylvia Howes, Frank Feldman, Rita Kingham! For Rebel Palm, Carol March, Peggy Schevill . . . for Howard Johnson, Thomas Hill! A Split-Six yell, let no lungs be spared . . . for Caroline Galletine, Milt Howe, Pat Baird! Another one, HOORAY AND HURRAH! For Kathleen Mossotto and Nancy Grah! A dear Ol' Alma Mater strain, for Judith Baker, Lindy Lou McLain!

Let's applaud our own young John Phillips Souza . . . that talented young trumpeteer who's a composer himself of the march for graduation . . . We thinks Mario Guarneri's already a sensation!

BEAT A DRUM AND SOUND A CYMBAL for Randy Jamison, Gail Fiske, George Kimball! A graduation theme play on the harp, for Hilary Brown, Albert Johns, Sue Tharp . . . for Joe Moore, Michele Angelo, David Coker, Gary Coe! Ring out the graduation news for Robert Bailey and Jack Hughes! Look just a little sad, Richard Williams and Olsen, Brad!

Sign in the shiny new class book, for Marilyn, Carolyn and Dana Cook . . . Write a verse, say it in print, for Mary Gardiner, Patricia Flint! For Sylvia Bolman, Steven Ballmer, Matt Brothers . . . for Kathleen Tesman, Bruce Hancock, and all the others!

Set up a big tall chocolate soda, for George Hollidge, David Rhoda!

MARCH DOWN THE AISLE in a pretty white gown, Barbara Champion, Patty Brown Angel faces, wreathed in smiles, Susan Hightower, Joan Bauslaugh, Frances Kyles! This is a class really full of spark, Noel and Norita (Jones) Elizabeth Mark! Not to mention Judith Ageno, Bill Brown, Joan Clark! A class with a special kind of appeal, Carolyn Cullen, Betty Thiele! A class to which we take our hats off, Diane Traverso, Philip Van Doff!

Floating on a cloud with its own silvery lining, Susan Jensen, Janice Twining . . . Pine Grove says, "forget me not," to Judy Davidson, Sally Spott! May they evermore grow wiser, Bill Harmon, Judith Hopkins, Jim Hunter, Thomas Heiser. May they grow smarter than you or me, Donald Kidd and Eddie Lee. Smarter, too, than me or you, Katie Baker, Charlie Blue. Right here we'll add the Boegers, two! A diller, a scholar, Roger Kline, Julie Noller! A class that really takes the cake, Leonard Brown and Milton Blake!

The Poolside was a cool ride

Starched white shirts, the fellows look spruce . . . Gary Van Brunt, Gary Black, Jimmy Roos! And the girls we certainly admire, Lolita Boysen, Patricia Lemire . . . Raeann Fuller, Karen Green, Bonnie McLaverty, Miss Rogers, (Carleen) . . . the prettiest lot we've ever seen!

(We're slowly running out of rhyme, so the rest of the names we'll get to in time!)

PARTY TIME FOR THE GRADS took place at the Ted Harrer home, Seven Oaks Circle, last Saturday, swim suits and playclothes, the order of the day. The partying Pine Grovers had their choice of hot and/or cold running pools . . . Heads bobbing up and down were Jud Carter, Brian Collins, Nan Dame, Barbara Smith, Margaret Bodfish, while the main attraction, a 25 ft. slide into the indoor pool, was real cool fun for Kurt Lunblad, Robert Bole, James Freeman, Bill Goodfellow and a raft of others incl. Volney Howard, Bob Daoust, Judy Courtright, Hetty Dutra, Kathleen Finlay, Caroline Daniels.

Lining up for a luscious Brunch, Richard MacKinnon, Cinday Rasmussen, James Botto, Lonnie Anderson, Joan Borden, Anamarie Enderlin, John Finn, Robert Hecocks, while having worked up an appetite from a vigorous volley ball game, in which some of the mothers and fathers and teachers participated, were Sharon Gillespie, Robert Cornforth, Reg Barret, Bobby Connolly, Kathy Brobeck.

Food went fast here

Poolside Ping Pong was going strong . . . Barbara Davis, JoAnn DeBiasi, Suzanne Lindsay, iMchael Rugg among the paddle experts . . . The handsome bowling alley was enjoyed by Rae Hutton DeLoma, Vaughn Smith, Jeff Neighbor, John Olivas, Lee Wendelbo!

We'd like to mention that one of the mothers, Dorothy Williams, who chrmnd. the party here, lauded the marvelous behavior and good manners of our children, which should make everybody feel pretty pleased.

THE PARK POOL PICNIC was held Tuesday, an all day affair that called for some 500 hotdogs, 70 lbs. of potato salad, 33 doz. cupcakes, accdg. to Cappy Champion, Picnic chrmn.

Hugging hotdogs between swim-fun were Joyce Noble, Nadya Roegiers, Michele Harrer, Carol Knudsen, Don McMacken, Patricia Moore . . . Requesting favorite dance records, Dick Miller, Donald Minor, Gail Garden, Jerilynn Ganiats, Julie Edelin, Mark Schuttenhelm, Barbara Molofsky . . . coke breaks for Grant Shuey, Richie Neddersen, Marsha Nicolet, Susan Snow, Kathy Shurtleff, Thomas Mann.

IN THE SPLASH . . . Robert Baird, David Dail, Don Davidson, Betty DeFranco, Lynn Solomon, George Mulks, Carol Lastrucci . . . Ping pong, here, too, for Suzanne Eubank, Karl Eggertsen, Harvey Pinkley, Pat Rahmeyer, Elizabeth Rodden, Allan Nilmeier and Byron Nelson.

EVERYBODY UNDER THE SUN was under the sun . . . Sylvia Pariani, Byron Nelson, Alan Dahlstrand, Dale Garrison, Gerrie Olsen, Irene Waschmirth, Anthony Seebock . . . Paul Scholberg, Carolyn Schuler, Saundra Thurston, Bernard Wilbet, Carolyn Archer, Joe Tracy, animatedly talking over the graduation exercise planned for tonight and the dance to follow for which mothers under Millie Twining and Marge Tharp have been decorating like mad. Joan Robinson, Laurie Williams in a dress-comparison confab . . . Rod Penebaker, Stephen Unnevehr trying to guess what the surprise decorations will be.

WELL, tonight's the night and we think you're "The Best," the nicest graduation class anywhere in the West!

Miramonte Gets Driver Tester

Driver education equipment designed to test the psychological and physical fitness of students as automobile drivers, was presented last week to Miramonte High School by the General Petroleum Corporation (Mobilgas).

James A. Lewis, principal, accepted the set of scientific testing devices from Charles L. Olson, Mobilgas representative here. Similar equipment, Olson said, is being used effectively by high schools throughout California.

The driver training kit includes devices which help to stimulate actual driving conditions and test reaction time, depth perception, peripheral (side) vision and full sight recovery after glare.

Nattress' Back From Long Tour

Finally home after a 14,000-mile tour of North America are Mr. and Mrs. Kenneth Nattress, 90 Tara Road.

Nomadic life for the Nattress' began in April when they left for a look at New York City, where they took in all the tourist attractions. Connecticut was the next stop, where they visited with friends.

An airplane journey to Bermuda and the tropic environment of the Castle Harbor Hotel ensued for the Nattress', and was enjoyed for one week.

Business in Alaska next brought them via the airlines to Fairbanks and Anchorage.

'To Prevent Fires--Call CL 4-4333'

"Heavy fire losses due to faulty installation of attic furnaces have occurred all over Contra Costa County in the last few months," Secretary Clarence Betz of the Orinda County Fire Protection District stated this week.

Betz, whose statement was made at request of Orinda Fire Marshal William Koch, continued:

"All of these fires could have been prevented by the simple procedure of an inspection, free of charge, by the local fire district or department.

"ORINDA FIRE DISTRICT urges each home owner and resident in our district to take advantage of this service.

"Inspections will be made by appointment at your convenience. Just call CL 4-4333 and make your appointment for an inspection before a fire occurs.

"As previously publicized, metal barrel-type incinerators are no longer approved by our fire district for refuse burning.

"IF YOUR INCINERATOR has to be replaced because it has worn out, please call the fire district before purchasing a new one, so that you will know your purchase will have the approval of the fire district.

"Our records show 24 per cent of the fires in Orinda Fire District in the last three years have been due to metal barrel-type incinerators.

"The main cause of fire results from the homeowner taking such portable incinerator and moving it to different spots on his property without thinking of the fire hazard.

Kaiser Gives World View At St. Mary's Graduation

Speaking at St. Mary's College's 93rd annual exercises last Saturday, industrialist Henry J. Kaiser told the 61 graduating seniors that "you are at the beginning of an age of lightening progress in civilized life, far outmatching anything mankind has ever seen."

Kaiser, who received an honorary doctor of laws degree from the college, predicted that a "floodtide of discoveries" will be unleashed in the treatment of disease, including the conquering of cancer and heart disease.

HE DECLARED that "This is an age of miracles-come-true in atomic energy and other sources of power . . . A new scientific revolution is merging into the onrushing industrial revolution . . Research and development have created our most fabulously productive industry — the new industry of discovery."

But along with the promises of scientific discoveries that "could go far toward banishing human want forever, everywhere," and a prediction that 40 years from now the American population will exceed 300 million and the economy will pass the trillion-dollar-a-year mark," the industrialist warned that the United States has "already come face to face with a serious shortage of trained, skilled people.

"Everyone's capabilities must be more fully developed — for his own sake and for the nation's," he said.

THE OMINOUS THREATS of Communism and materialism upon this streamlined society were causes of concern in the light of today's progress, Kaiser stated.

"The answer of your whole generation will decide, in my opinon, whether or not free men shall win the world-wide struggle in whch we are now engaged."

He continued:

"The causes for which we stake our lves are clear: freedom and peace."

Regarding the danger of an accompanying decline of ethereal values, Kaiser said that "We are struggling against rampant materialism that denies God and the dignity and sanctity of the individual. We are struggling to achieve lasting peace that shall establish justice, instead of force, as the rule of nations."

The Most Rev. Hugh A. Donohoe, auxiliary bishop of San Francisco, presided over the ceremony.

Tether Balls Turn Highway Nuisance

It has been brought to the attention of the Public Works Department of Contra Costa County that some children have attached tether balls to street signs on the County rights of way.

The parents should immediately have the tether balls removed from the street sign posts, not only because the name sign assemblies are being damaged, but because of the danger to the children from passing traffic, department officials stated.

Cooperation by the parents will avert the necessity for removal of the tether balls by the road crews, they added.

Science Sermon to Discuss Universe

"Is the Universe, including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at services Sunday, at Churches of Christ, Scientist, 1347 Locust Street, Walnut Creek, and 22 Orinda Highway, Orinda.

Man's God-given dominion over material laws and limitations will be set forth in readings from the King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Among the selections to be read from Science and Health is the following (307:26): "Man was not created from a material basis, nor bidden to obey material laws which Spirit never made; his province is in spiritual statutes, in the higher law of Mind."

The Golden Text is from Psalms (95:3,4): "The Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth: the strength of the hills is his also."

RESPONSIBLE woman, over 25, care of home and 3 children. Must have own transportation. CL 4-2436 after 7 p.m.

GOP to 'Warm' Dance Tomorrow

Tomorrow night's Barn Dance, to be given by the Lafayette-Walnut Creek Young Republicans, will be preceeded by a series of "warm up" parties and gatherings.

Before the dance, which is scheduled to begin at 9 o'clock in the Veteran's Memorial Hall, friends will gather for supper at the home of the William Dorseys. Among the diners will be the John McBrides, Dr. and Mrs. Don Laston, the Don Engels, the Bruce Robertsons, the Vernon Adams' and the Robert Kalbaughs.

The William Zions, who will be attending the Pot Luck Supper at the home of Mr. and Mrs. Johnson Clark before the Barn Dance, will have a special reason to celebrate—Zion's birthday is also tomorrow.

Other officers are Vice President Doris Marliave of Walnut Creek, Recording Secretary Itala Gambino of Pleasant Hill, Corresponding Secretary Myra Tagg of Walnut Creek and Treasurer Inerz Barr of Walnut Creek.

The following chairmen of committees were appointed: Membership, Virginia Blair of Lafayette; Certificate of Merit, Doris Morman of Pleasant Hill; California Plan, Grace Warner of Walnut Creek; Student Workshops, Janet Coop of Walnut Creek; Librarian, Mary Souza of Lafayette.

Whole Notes Editor, Doris Marliave; Scrap Book, Josephine Shoptaugh of Lafayette; Scholarship Fund, Nellie H. Alexander; Scholarship Concert, Fred Freeman; Publicity, Joan Fyhrie, all of Walnut Creek.

Tentative plans were made for two Benefit Scholarship Fund concerts to be presented by the teachers in November and in March.

Interested applicants can contact Mrs. Nellie H. Alexander at YE 4-3216 for further information.

Discuss Finances

Three Contra Costa County residents participated in a discussion of "Financing Our Schools" on KPFA, Berkeley.

County Superintendent B. O. Wilson, Assistant County Superintendent Harold De Fraga and Mrs. Mitchell Farrar, Orinda civic leader and publisher, were joined in the discussion by Mrs. Jenifer Angel, teacher in the San Francisco schools.

Youth Baseball Organizers Deserve Plaudits for Work

By ERWIN MATTSON

Last Sunday proved to be a big day for youth baseball when better than 500 fans were on hand to witness the colorful and brief opening day ceremonies.

The program committee did a bang up job, and the individuals responsible for the smoothness with which the affair was run off deserve a lot of credit.

The local youth program was late in getting under way, and many said it couldn't be organized and ready for this year's play.

A lot of hard work on the parts of a lot of people produced two diamonds and put 20 teams sponsored by 10 local merchants on the field — all in uniform.

The program has created terrific interest on the part of players, parents, and friends of baseball. It looks like a busy summer, with the cry of the day "Play Ball!"

The Acalanes Dons' golf team really sports an outstanding season's record. The charges of Coach Jim Nelson have won 23 straight matches for an undefeated season, including in their list of victims the Cal frosh.

Speaking of golf, one of the better feminine players hereabouts is Alberta Gillham, wife of the Youth Baseball enthusiast, "Red," mantle, attesting to his prowess. Alberta, who has been at the game who swings a mean club himself, has a number of trophies on the but a short time, relatively speaking, promises to put some new trophies on the mantle and probably will, once she stops tying up thinking about Red's link conquests.

It's tough to live in the shadow of a great — so says Red!

The baseball coaches recently met at Pittsburg to select an All League baseball team and came up with a nine that would be nice to have all together at one time.

Selecting a top nine is not the easiest task, as coaches disagree in many instances on the merits of various players.

In general, at most one sees an opposing player in action but twice. If the player has a bad day or is on the bench the judging problems becomes involved. Player attitude and reliability is generally best judged by the coach of a club.

In some cases a player may play in more than one position, and that further complicates matter.

Utility players were added this year to take care of such cases where players are outstanding in more than one spot.

Rest assured, no matter what the selections are there will be plenty of disagreement!

The coaches making the selections at least won't make the same mistake as a group of sports writers did a few years back when they picked a player who hadn't even played. A standout the previous year, early season injuries forced him to the sidelines, but his reputation carried over!

Legion 9 Rolls To 14-3 Drubbing Of Port Chicago

The Lafayette Legion baseball nine started slowly in their game with Port Chicago last Sunday afternoon, but came through with a barrage of basehits to swamp the visitors, 14-3.

The game, played at Acalanes field, found Port Chicago collecting two hits and three runs in the opening frame, only to get shut out the rest of the way and get but three more hits.

The Lafayette crew scored one run in the first, tied the score with two in the second, then added lone runs in the third, sixth, seventh and eighth. The big inning was the fourth when 5 runs crossed the plate on 4 hits, including a home run by Catcher Dave Bojarsky.

The winners' final two runs came in the ninth when two hits and an error produced the tallies.

Bob Burton was the losing chucker, whle Mac Waddell, Steve Jordan and Mike Kritscher combined their efforts to achieve the win.

The Lafayette club garnered 14 hits, with first baseman Jim Dinkel cracking out a perfect 3 for 3 to pace the attack.

The Lafayette team, co-sponsored by the local Legion post and the Hayward Teamsters, winds up its season when it plays Walnut Creek at Acalanes Field tomorrow afternoon, travels to Concord on Sunday, and the following Sunday travels to Pittsburg.

All games are slated for 2 p.m.

Acalanes Strokes to 232 Golf Victory in DVAL Tilt

Acalanes stroked its way to victory with a three man medal play score of 232 to take the DVAL county golf meet championship last Friday.

Play at the Diablo Country Club proved to be varied and interesting as the warm weather and clear skies lent themselves as atmosphere while the top three medal play golfers of the Acalanes, San Ramon, Pleasant Hill, Antioch, Mt. Diablo and Las Lomas teams played the 71 par course.

Totals of the three scores for each team were: Acalanes, 76, 76, 80 — 232, first; San Ramon, 81, 75, 84 — 240, second; Pleasant Hill, 71, 91, 81 — 243, third; Antioch, 75, 85, 86 — 246, fourth; Mt. Diablo, 97, 94, 86 — 277, fifth; Las Lomas, 80, 102, 100 — 282; sixth. The two remaining league teams, Pacifica and Pittsburg, did not participate in the meet.

Dave Derr of Pleasant Hill took the county individual crown with a score of 36, 35 — 71 to even par.

Derr played his way to the top position with a fine brand of golf which was four strokes ahead of the closest contenders, Wayne Sleppey, Antioch, and Bob Lambert, San Ramon, both with cards of 75.

Twice in three years of competition, a Pleasant Hill High School number one player has taken the individual title. In the first year of particpation, Dick Shaul, a graduate of 1955, took the honors. This year Dave Derr set the pace with his 71.

Individual results in the 70's and 80's according to the cards were: 71—Derr, Pleasant Hill; 75—Sleppey, Antoch; Lambert, San Ramon; 76—Wally Marsh, Skip Fisk, Acalanes; 80—Bill Judge, Acalanes; Gordon Batesole, Las Lomas; 81—John Krampeter, Pleasant Hill; Fred Moore, San Ramon; 84—John Tausher, San Ramon; 85—Don Kovisto, Antioch; 86—Ray Edwards, Antioch; Sid Schwartz, Mt. Diablo.

Other scores registered were: 91, 94, 97, 100 and 102. Eighteen players took part in the medal play county championship. In order to be eligible for the meet, each team kept a record of the number of strokes used in the last three matches by each team member. The three players with the lowest number of strokes, or medal play scores, were then able to play in the county championship.

Last year the top three teams were Acalanes, Pleasant Hill and San Ramon.

New Librarian Is Appointed

Appointment of Miss Frances Lee of San Diego as supervising children's librarian of the Contra Costa County Library system is announced this week by County Librarian Bertha D. Hellum.

Miss Lee, who qualified by written and oral civil service examinations, will fill the position left vacant by the death May 16 of Bernice M. Gantt.

A graduate of Agnes Scott College in Decatur, Georgia, and Emory University Library School, Miss Lee worked as a children's librarian in the Enoch Pratt Free Library, Baltimore, Maryland, and in Youngstown, Ohio Public Library.

From 1950 to 1955 she was Director of Children's Work in the Fresno County Library. She conducted summer session courses in children's literature and story telling for three years in Fresno State College.

For the past year and a half she has been Reference and Research Librarian in the California Room of the San Diego Public Library

Miss Lee will assume her duties here as Supervising Children's Librarian July 1.

Orindans Broadcast School Discussion

The Contra Costa County residents participated in a discussion of "Financing Our Schools" Tuesday on KPFA, Berkeley.

County Superintendent B. O. Wilson, Assistant County Superintendent Harold De Fraga and Mrs. Mitchell Farrar, Orinda civic leader and publisher, were joined in the discussion by Mrs. Jenifer Angel, teacher in the San Francisco schools.

Champ Netters Crowned

Champions were crowned in six divisions of the first Lafayette School District Tennis Tournament for beginners last Saturday.

Saturday's finals in the tournament, which was sponsored by the Lafayette School District and the Lafayette Rotary, found smooth stroking George Helmholz winnng the under 15 boys division by defeating Doug Freeman, 6-2, 7-5.

It was a contest between the power and shot placing of Helmholz and the steady strokes of Freeman which proved to be not quite enough.

Don Nelson and Steve Lamphere outlasted Freeman and Thornton Smith in the under 15 doubles finals in a hard fought match, 6-4, 6-8, 6-4.

Talented 10 year old Bart Rocca was too steady for Larry Logan and set him down 6-1, 6-0 in the under 13 match, although the contest was much closer than the score might indicate.

Kathy Altman won the 15 and under girls finals by whipping Mary Rambo, 6-1. Linda Bridger was champ in the under 13 finals as she showed class in defeating Linda Wadsworth, 6-1.

Bonnie Johansen and Mary Rambo won the girls under 15 doubles from Karen Miller and Kathe Desch, 9-7, 6-3.

The tournament committee consisted of Ted Collins, chairman; Ken Jensen, Betty Axtell and Mrs. Barney Rocca.

Youth Concerts Big Success

The Board of Directors of Central Contra Costa County Youth Concerts announced recently that it has successfully concluded its first concert season.

Finances are listed as follows: Income, ticket sales, $2684.50; donations, $210; expenses, artist fees, $2150; printing, mail, $323-.07; rent, labor, $271.06; attorney's fees, $89.20; incidentals, $32.08; balance on hand, $29.09.

Mrs. James Perry, Association president, said, "We proudly announce that our tentative concert attractions for our 1956-57 season are: January, San Francisco Symphony; February, University of California Treble Clef and Glee Club; March, Ballad singer Stan Wilson; April, Berkeley Youth Symphony.

Kappas to Swim, Play at Ranch

East Bay Alumnae members of Kappa Kappa Gamma will meet next Thursday at 12:30 p.m. at the Dimond B Ranch for an afternoon of swimming and bridge before summer vacations begin for the members.

The ranch is located at 5350 Redwood Road, Oakland, and is owned by Mrs. T. P. Bacon.

Each member will bring a knapsack lunch to the outing. Dessert will be provided by two Orindans; Mrs. R. B. Brodrick, general chairman of the party, and bridge chairman Mrs. William B. Sheppard.

Lunch will be served in the Frontier Room which over-looks the swimming pool and surrounding hills.

Nielsen Holds Political Meet; Promises Action

Mel Nielsen, on of the two sucessful candidates for Supervisor of District two, Contra Costa County, who were selected to run in the November election, promised an active campaign to his supporters at a post primary meeting held at his home last Monday.

"I want to thank all those who voted for me and all those who worked so hard to insure my election", Nielsen said.

"During the next few months, I intend to devote full time to continuing my study of Contra Costa County problems.

"I am not content to stand on my record of business, elective office and community activity experience alone," Nielsen said.

"I want to know the views of the citizens of my district on controversial issues," he concluded.

Rummage Sale Is Tomorrow

The Mt. Diablo Cat Club will hold a rummage sale tomorrow between 9 a.m. and 4:30 p.m., at the Pacific Gas and Electric Building, Walnut Creek.

Proceeds from the rummage sale will help to finance the first Cat Show in Walnut Creek.

New Sirens Are Installed

The Contra Costa County Office of Civil Defense this week completed arrangements for the installation of additional atttack warning sirens within the evacuation area of Contra Costa County.

Five new sirens will be located in Sun Valley, at the Del Rey School, Orinda, at the intersection of Pleasant Hill Road and Highway 24, at the intersection of Pleasant Hill Road and Gregory Lane, and at Hilltop and Marin in El Sobrante.

This will make 22 Civil Defense attack warning sirens installed by the Contra Costa County of Civil Defense. This figure does not include those sirens within the incorporated cities of the County.

Residents of Contra Costa County are reminded that there is no audible testing of these sirens, and that unless otherwise notified, they will be sounded only in event of enemy attack. Regular mechanical checks are made by the County to assure that these sirens are in readiness.

The Civil Defense officers said that the attack warning signals are as follows: a steady blast of 3 to 5 minutes on sirens, whistles, horns, or similar devices, a wailing tone or series of short blasts for three minutes on sirens, whistles, horns, or similar devices.

Students Receive UC Scohlarships For First Year

Five students from Acalanes High School, three from Las Lomas and three from Mt. Diablo High were awarded California Alumni freshman scholarships to the University of California recently.

They are, from Acalanes, Gene Bell, Keith DeVillers, Mike Laurenson and Judy Miner, from Las Lomas, Gaynel Gordon, Richard Olness and Donald Pieper, and from Mt. Diablo, Marilyn Hagood, Kathleen Shimmin, and Edward Huff.

Acalanes Seniors Have 'Real Ball!'

THREE COINS IN THE FOUNTAIN, each one seeking hapipness, there they lie in the fountain somewhere in the heart of Rome, make it mine, make it mine." The lines from the song "Three Coins in the Fountain" are very appropriate for the night, the second of June. Everyone sought happiness, all got their wish.

Deep in the Roman gardens danced the starry-eyed couples dressed in their most becoming attire. Formals, dinner jackets, delicate orchids, symbols of the Senior Ball. In the middle of the gardens there was a beautiful, picturesque statue set as a flowing Roman fountain. Murray Peterson and his orchestra provided the sweet, smooth refrains that set the feet of all to waltzing in the Roman custom. Bids made as Roman scrolls and scores of photographs provided the material memories, while dinner dancing, The City parties, sleepy eyes and Carmel are the exciting memories that last after the Ball is over.

Happiness, each one got their wish!

Seen here in all their finery are left to right, Bob Albright and Joan Evans; Ed Klass and Liz Rogers; Carole Holabird and Don Babcock; Friend and Janice Guldenzopf; Judy Teuscher and Friend; Marjorie Fish and Dennis Meyer; David Carter and Jean Hunnicut; Ruby Yaryan and Guido Graziussi; Sharon Hayden and Butch De Villers. Back row — Pat MacCauley and Sharon Pierce; Ed Malony and Kyla Houston; Gary Williamson and Joan Walen; Pete Villa and Sue Panella; Laird Eickmeyer and Georgianne Watkins; Dave Christensen and Ann Hightower; Julie Sanderson and Bill Link; Greg Husar and Kathy Young. Front row — Gary Gorman and Norma Waddell; Betty Damolous and Dan Daska; Susan Wasson and Jerry Halstenrud; Marlene Cotella and Rich Markstein; Carol Gardner and Ron Nelson; Karen Ham and Charles Stockwell; Judy Miner and Jay Bridges.

ALREADY TIRED FROM thinking about next year's duties are the new Acalanes Student Body officers. In the back row are, left to right, Len Saputo, boys' yell leader; Barbara Hull, girls' yell leader; Dolores Roeschen, social secretary; and Sheila Fox, treasurer. In front are Norma Waddell, secretary; Kent "no-doze" Grigg, president, and Bill Freeman, vice-president.

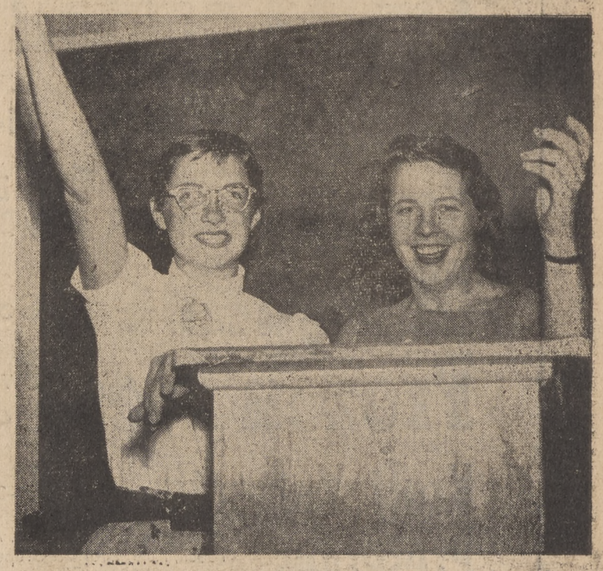
NOW THAT THE TRAINING SEASONS are over, some of the outstanding senior athletes at Acalanes can be seen enjoying themselves at Eickmeyer's Milk Bar for Teddy Boys! Messing around, from left to right, are Laird Eickmeyer, John Hall, Ed Klass, Joe Sheaff, Mike Barrett, "Butch" DeVillers, Doug Krotz, and an anonymous couple.

—Acalanes Blueprint photo-caricature



GESTICULATING WILDLY WHILE they prepare their graduation speeches, Diane Bregar and Ruby Yaryan get set to speak to the Acalanes class of '56. Tryouts were held recently and Diane and Ruby were chosen to talk. The graduation exercises will be held Sunday in the Acalanes Memorial Field at 2 p.m.

—Acalanes Blueprint photo

A QUEEN INDEED is Patricia Jo Ford, who was chosen queen of the Acalanes Senior Ball last Saturday night at Acalanes High School. With her is Jack Groth, who is graduating from East Contra Costa Junior College.

THE PAUSE THAT REFRESHES—Left to right, front row, Robin Ann Mark, Laird Eickmeyer and Linda Wilkenson, and back row Diane Bregar and Irene Mortara take time out from their heated discussion about details concerning the recent Senior Banquet.

Women Planners Withdraw Indian Valley Route Plan

Charging that "lack of technical information and guidance from the Contra Costa County planning staff is directly responsible for the turmoil and misunderstanding that today surround the development problems of the Moraga area," the Contra Costa County Women's Planning Council has withdrawn its previous endorsement of the Indian Valley route as a path for the future Shepherd Canyon Freeway.

Through Chairman Mildred Farrar, the council last week urged that "both Redwood Canyon and Indian Valley" be "protected from encroachment and reserved for an essential future park site."

Mrs. Farrar added that the council believes that "no one is in a position to endorse any routing until all the facts are presented" at next Thursday's hearing at Miramonte High School, to be conducted by the State Division of Highways.

The Women's Planninng Council leader said:

"Two and a half years have passed since the Utah Corporation purchased the Moraga properties. Knowing that development was imminent, the Planning Commission let 11 months pass without progress toward a master plan for Moraga.

"It was not until the Emergency Committee for Master Planning mobilized mass citizen demands for a plan that the county finally got down to business on developing a blueprint for Moraga's future.

"EVEN THEN, political pressures prevented a thorough and comprehensive technical effort. An ultimatum from the Board of Supervisors for a zoning plan forced superficial studies. The Moraga master plan was completed and adopted under extraordinary circumstances. At the time of its passage, the technical staff stated at the public hearing that proper economic studies had not been undertaken and that these were essential before the commercial and industrial 'triangle' in the heart of the valley could be completely planned.

"Twenty minutes after it had been passed ,the provisions of the plan were violated by the commission as they adopted a zoning pattern which did not conform.

"At the supervisors' hearing on the master plan and zoning proposals, a final touch was added to the fiasco. The board shipped the entire matter back to the commission for 'further studies.'

"To date these studies are nonexistent, despite the fact that a whole year has elapsed.

"MEANWHILE, a freeway route battle is raging, a priceless park area, the Redwood Canyon, is threatened by an application for a rock quarry, subdivisions are being approved on land still zoned for agricultural use, homes are being constructed in the path of future highway right-of-way (taxpayer foots future condemnation bill for these very structures) and flood control problems are being tailor-made for the valley.

"All of these are directly attributable to the lack of competent technical leadership at Martinez.

"The people of Contra Costa County spend more on planning than do the residents of any other Bay Area county. For their money they get what is fast becoming a nightmare in Moraga rather than the dream city the beautiful valley potentially promised.

"A confused jumble of conflicting reports emanate from Martinez. On the one hand, the official preliminary plan for a county park system described the Redwood Canyon as 'an area of surpassing beauty. It would be an unforgivable loss if this were not preserved for public enjoyment. In addition to the magnificent scenery, this area has, in recent years, become a refuge for many species of birds and wild animals — truly an exceptional site for a park.'

"On the other hand the chairman of the Board of Supervisors stated at a Highway Department meeting on the proposed freeway routing that the Redwood Canyon appears to be the route that would be in the best interest of the people of the county. (Such routing would desecrate the park site.)

"LACKING COMPETENT technical studies, citizen groups are left completely in the dark. Mistaken notions about the proper routing of the freeway place many of us in the uncomfortable position of taking one stand or another regarding routing only to find the 'facts' we had relied upon were inaccuracies.

"Because of the confusion and misinformation given to us by supposedly competent sources, we were led to believe that the Indian Valley routing was not only feasible but also would not destroy potential park areas. It is now apparent that both Redwood Canyon and Indian Valley should be protected from encroachment and reserved for an essential future park site.

"It is our belief that no one is in a poistion to endorse any routing until all the facts are presented at the June 21 public hearing."
